The Declarant also reserves the right to grant easements to public utility companies and to convey Improvements within those easements anywhere in the Common Interest Community for the above-mentioned purposes. If the Declarant grants any such easements, Exhibit 2 will be amended to include reference to the recorded easement.

(c) The right to withdraw property identified as "Developer's Rights Reserved" on the Plat for the Common Interest Community.

Section 7.2. Limitations on Development Rights. The Development Rights reserved in Section 7.1 are limited as follows:

(a) The Development Rights may be exercised at any time, but not more than seven (7) years after the recording of the initial Declaration. If exercised more than five (5) years after recording of the original Declaration, consent of fifty-one percent (51%) of the Eligible Mortgagees shall be required pursuant to Section 16.4.

(b) Not more than two (2) additional Units may be created under the Development Rights (for a total of twelve (12) units in the Common Interest Community);

(c) The quality of construction of any buildings and improvements to be created on the property shall be consistent with the quality of those constructed pursuant to this Declaration as initially recorded.

(d) All Units and Common Elements created pursuant to the Development Rights will be restricted to residential use in the same manner and to the same extent as the Units created under this Declaration as initially recorded.

(e) No Development Rights may be exercised unless approved pursuant to Section 16.5 of this Declaration.

Section 7.3. Phasing of Development Rights. No assurances are made by the Declarant regarding the portions of the areas shown as "Developer's Rights Reserved" on the Plans and Plat as to the portions where the Declarant will exercise its Developer's Rights or the order in which such portions, or all of the areas, will be developed. The exercise of Development Rights as to some portions will not obligate the Declarant to exercise them as to other portions.

Section 7.4. Special Declarant Rights. The Declarant reserves the following Special Declarant Rights to the maximum extent permitted by law which may be exercised, where applicable, anywhere within the Common Interest Community:

(a) To complete Improvements indicated on Plats and Plans filed with this Declaration;

(d) To use easements through the Common Elements for the purpose of making Improvements within the Common Interest Community; and

(e) To appoint or remove an officer of the Association or an Executive Board member during a period of Declarant control subject to the provisions of Section 7.9 of this Declaration.

Section 7.5. Models, Sales Offices, and Management Offices. As long as the Declarant is a Unit Owner, the Declarant and its duly authorized agents, representatives and employees

may maintain Units owned by the Declarant or any portion of the Common Elements as model Units or as a sales office or management office. Declarant may delegate this authority to dealers who purchase Units for resale.

Section 7.6. Construction; Declarant's Easement. The Declarant reserves the right to perform warranty work, repair and construction work, and to store materials in secure areas, in Units and Common Elements, and the further right to control all such work and repairs, and the right of access thereto, until its completion. All work may be performed by the Declarant without the consent or approval of the Executive Board. The Declarant has such an easement through Common Elements as may be reasonably necessary for the purpose of or exercising Special Declarant Rights, whether arising under the Act or reserved in the Declaration. Such easement includes the right to convey utility and drainage easements to public utilities, municipalities, the State, or upland owners to fulfill the plan of development.

Section 7.7. Signs and Marketing. The Declarant reserves the right to post signs and displays in the Common Elements to promote sales of Units, and to conduct general sales activities, in a manner as will not unreasonably disturb the rights of Unit Owners.

Section 7.8. Declarant's Personal Property. The Declarant reserves the right to retain all personal property and equipment used in the sales, management, construction, and maintenance of the premises that has not been represented as property of the Association. The Declarant reserves the right to remove from the property, promptly after the sale of the last Unit, any and all goods and Improvements used in development, marketing, and construction, whether or not they have become fixtures.

Section 7.9. Declarant Control of the Association.

(a) Subject to Subsection 7.9(b): There shall be a period of Declarant control of the Association, during which a Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the Executive Board. The period of Declarant control terminates no later than the earlier of:

(i) Sixty (60) days after conveyance of seventy-five percent (75%) of the Units that may be created to Unit Owners other than a Declarant; or

(ii) Two (2) years after the Declarant has ceased to offer Units for sale in the ordinary course of business; or

(iii) Two (2) years after any right to add new Units was last exercised;
or

(iv) Five (5) years after the first Unit is conveyed to a Unit Owner other than the Declarant.

The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Executive Board before termination of that period, but in that event,

the Declarant may require, for the duration of the period of Declarant control, that specified actions of the Association or Executive Board, as described in a recorded instrument be approved by the Declarant before they become effective.

(b) Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Unit Owners other than a Declarant, at least one member and not less than twenty-five percent (25%) of the members of the Executive Board shall be elected by Unit Owners other than the Declarant. Not later than sixty (60) days after conveyance of fifty percent (50%) of the Units that may be created to Unit Owners other than a Declarant, not less than thirty-three and one-third percent (33 1/3%) of the members of the Executive Board must be elected by Unit Owners other than the Declarant.

(c) Not later than the termination of any period of Declarant control, the Unit Owners shall elect an Executive Board of at least three (3) members, all of whom shall be Unit Owners. The Executive Board shall elect the officers. The Executive Board members and officers take office upon election.

(d) Notwithstanding any provision of this Declaration or the Bylaws to the contrary, following notice under Section 34.08.390 of the Act, the Unit Owners, by a two-thirds (2/3) vote of all persons present and entitled to vote at a meeting of the Unit Owners at which a quorum is present, may remove a member of the Executive Board with or without cause, other than a member appointed by the Declarant.

Section 7.10. Limitations on Special Declarant Rights. Unless sooner terminated by an amendment to this Declaration executed and recorded by the Declarant, any Special Declarant Right (except for Development Rights) may be exercised by the Declarant so long as:

- (a) Declarant is obligated under any warranty or obligation; or
- (b) Declarant holds a Development Right to create additional Units or Common Elements, or
- (c) Declarant owns any Unit or any Security Interest in any Units; or

Declarant's Special Declarant Rights expire upon the earliest date on which one of the conditions described in (a)-(c) is no longer operative. Earlier termination of certain rights may occur by statute.

Section 7.11. Interference with Special Declarant Rights. Neither the Association nor any Unit Owner may take any action or adopt any rule that will interfere with or diminish any Special Declarant Right without the prior written consent of the Declarant.

ARTICLE VIII. Allocated Interests.

Section 8.1. Allocation of Interests. The table showing Unit numbers, addresses and their Allocated Interests is attached as Exhibit 1. These interests have been allocated in

accordance with the formulas set out in this Article VIII. These formulas are to be used in reallocating interests if Units are added to or deleted from the Common Interest Community. The percentage of undivided interest in the Common Elements assigned to each unit shall be used for all purposes, including voting and the assessment of liability for Common Expenses.

Section 8.2. Formulas for the Allocation of Interests. The Interests allocated to each Unit have been calculated on the following formulas:

(a) Undivided Interest in the Common Elements. Each Unit in the Common Interest Community shall have an equal percentage of the undivided interest in the Common Elements.

(b) Liability for the Common Expenses. Each Unit in the Common Interest Community shall have an equal percentage of liability for Common Expenses. As a result, the percentage of liability for Common Expenses for each unit is determined by dividing the total number of Units into 100. Nothing contained in this Subsection shall prohibit certain Common Expenses from being apportioned to particular Units under Article XVII of this Declaration.

(c) Votes. Each Unit in the Common Interest Community shall have one equal Vote. Any specified percentage, portion or fraction of Unit Owners, unless otherwise stated in the Documents, means the specified percentage, portion, or fraction of all of the votes as allocated in Exhibit 1.

Section 8.3. Assignment of Allocated Interests Upon Creation of Units Pursuant to Exercise of Development Rights. The effective date for assigning Allocated Interests to Units created pursuant to Section 8.1 of this Declaration shall be the date on which the amendment creating the Units is recorded in the records of the Anchorage Recording District.

ARTICLE IX. Restrictions on Use, Alienation, and Occupancy.

Section 9.1. Use and Occupancy Restrictions. Subject to the Special Declarant Rights reserved under Article VII, the following use restrictions apply to all Units and to the Common Elements:

(a) Each Unit is restricted to residential use as a single-family residential structure, including home professional pursuits not requiring regular visits from the public or unreasonable levels of mail, shipping, trash or storage. No sign indicating commercial or professional uses may be displayed outside a Unit. A single-family residence is defined as a single housekeeping unit, operating on a non-profit, non-commercial basis between its occupants, cooking and eating with a common kitchen and dining area. Units must be used and occupied at all times in accordance with all applicable local, state and federal laws and with the Plat and Plans for Morningside Park.

(b) Unit garages are to be used primarily for the storage of vehicles and may not be used as living space. The intent of this paragraph is that Unit Owners use their garages to store their vehicles, and that any vehicles (including boats, campers, ATVs, snowmachines, RVs, etc.) be regularly stored by Unit Owners somewhere other than their Unit or the Common

Elements. Unit driveways may not be used for the regular storage of vehicles, boats, or campers and vehicles, boats and campers may not be parked in driveways for more than twenty-four hours. Driveways are intended to be used for the parking of guests of Unit Owners or for temporary parking of vehicles belonging to Unit Owners. Trucks, commercial vehicles, and campers which would not fit inside a Unit garage may not be parked anywhere on the Property for more than six (6) hours in any twenty-four (24) hour period. Commercial vehicles may be parked on the Property for more than six (6) hours in any twenty-four (24) hour period if necessary to make a delivery or complete construction. No parking is permitted at any time on the common driveway serving the Units.

(c) All Unit Owners will maintain their Units in a clean and well-maintained condition. Trash may not be stored outdoors. The Executive Board has the power to regulate the exterior storage of any type of material to preserve the appearance of the Property.

(d) No automotive repairs may be conducted outdoors anywhere on the Property.

(e) No animals, livestock or poultry can be kept in any Unit, except that domestic dogs, cats, fish and birds may be kept as household pets within the Unit, provided they are not kept, bred or raised for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall limit the total number of pets to four (4), no more than two (2) of which shall be dogs and no more than two (2) of which shall be cats. The Executive Board may, after Notice and Hearing limit the sizes and types of dogs, if sizes and types of dogs become a problem for the Association. Further, the Executive Board may prohibit the ownership of any animal that constitutes a nuisance to any other Unit Owner. Dogs and cats belonging to Unit Owners, occupants of Units, or their licensees or invitees, must be kept within the Unit except that they may be taken out of the Unit on a leash held by a person capable of controlling the animal. Should any dog or cat be found outside of the Unit, other than on a leash being held by a person capable of controlling the animal, the animal may be removed by Declarant or any person authorized by the Executive Board to remove the dog or cat from the Property. The dog or cat removed shall be taken to the municipal animal shelter and, if its owner is known, the Association shall notify the owner of the animal's location. The owner of any pet visiting or residing on the Property shall be absolutely liable to all other Unit Owners, their families, guests and invitees for any damage to persons or property caused by the pet. Owners of pets are responsible for removing their pets' waste from the Units and the Common Elements of the Project.

(f) No nuisances shall be allowed on the Property, nor shall any use be made or practice be maintained by any Unit Owner or tenant of a Unit Owner that shall interfere with the quiet enjoyment of the Property by other Unit Owners and residents. The Executive Board may further define what constitutes a nuisance in the rules of the Association.

(g) The use of Units and Common Elements is further subject to the Bylaws and the Rules of the Association.

Section 9.2. Restrictions on Alienation. A Unit may not be conveyed pursuant to a time-sharing plan. A Unit may not be leased or rented for a term of less than thirty (30) days. All leases and rental agreements shall be in writing and subject to the requirements of the Documents. A copy of all leases or rental agreements must be given to the Association by the Unit Owner. All leases and rental agreements must contain a provision that gives the Association the power to enforce a violation of the Documents against tenant so long as the Association first gives notice to the Unit Owner of its intent do so and gives Unit Owner a reasonable opportunity to remedy the violation. The Association's right to enforce violations of the Documents against a tenant does not limit the Association's right to take action against the Unit Owner for the tenant's violations of provisions of the Documents. This Declaration does not impose any right of first refusal or similar restriction on a Unit Owner's right to sell or convey a Unit.

Section 9.3. Structure Setbacks from Unit Perimeter Boundaries. Houses constructed within the Units may be attached to each other along one or two Unit boundaries. No structure, except a fence, may be constructed within a setback area defined as twenty (20) feet from the Unit boundary adjoining the access drive (the front boundary), except that second story balconies may project four (4) feet into the front setback area. With the exception of the provision contained in the first sentence of this section, the structure setbacks along the side and rear Unit boundaries shall be as follows: five (5) feet along each side Unit boundary, and twenty (20) feet along the rear unit boundary. "Rear unit boundary" shall be defined as the boundary opposite the boundary fronting the access drive. Ground level decks may be located in the rear setback area as long as they do not encroach into utility easements in the rear yards. If a conflict arises in determining the setback area, the provisions of Title 21 of the Municipal Land Use Code pertaining to "yards" shall be used as a guide.

Section 9.4 Fences. Unit Owners may not construct fences until after the final certificate of occupancy has been issued by the Municipality for the Unit. Any fences built by Unit Owners must comply with applicable local, state and federal laws. Unit Owners must obtain the permission of the Executive Board to construct a fence. If built, fences must be maintained as an attractive addition to the Unit. No fence is permitted in the front yard unless the Executive Board finds it will become an attractive addition to the neighborhood. Metal or chain-link fences are not permitted. Declarant makes no guarantees that the Municipality will allow Unit Owners to construct fences. At a minimum, the Executive Board must require Unit Owners prior to constructing fences to:

- (a) prove to the satisfaction of the Executive Board that the fence will not encroach on neighboring units or Common Elements;
- (b) obtain utility locations to avoid damaging utilities during construction;
- (c) obtain any permission necessary from utilities; and
- (d) submit drawings, photographs, plans, or other descriptions that will allow the Executive Board to determine that the fence will be an attractive addition to the Unit.

Section 9.5. House Colors. Houses built within the Units may be painted or stained but the colors are limited to earth tones and pastels. Trim colors may be of a slightly darker contrasting color. All colors must be approved by the Executive Board as provided in Article XI. Both sides of a duplex structure must be painted the same color.

ARTICLE X. Easements and Licenses.

Section 10.1. Easement for Ingress and Egress Through Common Elements. Each Unit Owner has an easement in common with each other Unit Owner for ingress and egress through all Common Elements, subject to such reasonable rules and regulations as may be imposed by the Association. Each Unit is hereby burdened with an easement for ingress and egress through all Common Elements by persons lawfully using or entitled to the same.

Section 10.2. Easements for Support. Each Unit and Common Element has an easement for lateral and subjacent support from every other Unit and Common Element.

In the event any portion of the Common Elements encroaches on any Unit or any Unit encroaches on the Common Elements or another Unit as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the Improvements, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

Section 10.4. Temporary Blanket Utility Easements. Each Unit and the Common Elements will be subject to a blanket easement for the installation and maintenance of utilities. The location of utilities installed under this blanket easement will be shown in the final as-built as Units are completed.

(b) Subject to Subsection 11.1(a), a Unit Owner:

(i) May make any other improvements or alterations to the interior of his Unit not requiring approval so long as the alterations or improvements do not impair the support of any portion of the Common Interest Community;

(ii) May not change the appearance of the Common Elements without permission of the Association;

(c) A Unit Owner may submit a written request to the Executive Board for approval to do anything that he or she is forbidden to do under Subsection 11.1(a) or 11.1(b)(ii). The Executive Board shall answer any written request for such approval, after Notice and Hearing, within thirty (30) days after the request thereof. Failure to do so within such time shall not constitute a consent by the Executive Board to the proposed action. The Executive Board shall review requests in accordance with the provisions of its Rules.

(d) Any applications to any department or to any governmental authority for a permit to make any addition, alteration or Improvement in or to any Unit must be approved in writing by the Association. If the owners of the adjoining Units have specified a reallocation between their Units of their Allocated Interests, the application shall state

the proposed reallocation. Unless the Executive Board determines, within thirty (30) days after receipt of the application, that the reallocation is unreasonable, the Association shall consent to the reallocation and prepare an amendment that identifies the Units involved, states the amendment must be executed by those Unit Owners and contain words of conveyance between them, and the approval of all holders of Security Interests in the affected Units shall be endorsed thereon. On recordation, the amendment shall be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the Association.

Section 12.2. Recording Amendments. The Association shall prepare and record Plats or Plans necessary to show the altered boundaries between adjoining Units, and their dimensions and identifying numbers. The applicants will pay for the cost of preparation, recording, and filing of the amendment, Plat and Plans, and the reasonable consultant fees of the Association if it is deemed necessary to employ a consultant by the Executive Board.

ARTICLE XIII. Amendments to Declaration.

Section 13.1. General. Except in cases of amendments that may be executed by the Declarant in the exercise of its Development Rights or by Section 34.08.740 of the Act, or by and Article XII of this Declaration and 34.08.260 of the Act, and except as limited by Section 13.4 and Article XVI of this Declaration, this Declaration, including the Plat and Plans, may be amended only by vote or agreement of Unit Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated.

Except to the extent expressly permitted or required by other provisions of the Act and this Declaration, an amendment may not create or increase Special Declarant Rights, increase the number of Units, change the boundaries of a Unit, the Allocated Interests of a Unit, or the uses to which a Unit is restricted, in the absence of unanimous consent of the Unit Owners.

Section 13.5. Execution of Amendments. An amendment to the Declaration required by the Act to be recorded by the Association, which has been adopted in accordance with this Declaration and the Act, must be prepared, executed, recorded and certified on behalf of the Association by an officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association.

The amendment to the Declaration shall assign an identifying number to each new Unit created and reallocate the Allocated Interests among all Units. The amendment shall describe any Common Elements and any Limited Common Elements created thereby and designate the Unit to which each Limited Common Element is allocated to the extent required by Subsection 160(a) of the Act.

ARTICLE XIV. Amendments to Bylaws.

The Bylaws may be amended only by vote of two-thirds (2/3) of the members of the Executive Board, following Notice and Comment to all Unit Owners, at any meeting duly called for such purpose.

Section 16.4. Consent Required.

(a) Document Changes. (b) Actions. Notwithstanding any lower requirement permitted by the Declaration or the Act, the Association may not take any of the following actions other than rights reserved to the Declarant as Special Declarant Rights without the approval of at least fifty-one percent (51%) of the Eligible Mortgagees:

(i) Convey or encumber the Common Elements or any portion thereof (as to which an eight percent (80%) Eligible Mortgagee approval is required). (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Common Interest Community will not be deemed a transfer within the meaning of this clause);

(d) The failure of an Eligible Mortgagee to respond within thirty (30) days to any written request of the Association for approval of an addition or amendment to the Declaration shall constitute an implied approval provided that notice was delivered by certified or registered mail with return receipt requested.

Section 16.5. Development Rights. No Development Rights may be exercised or voluntarily abandoned or terminated by the Declarant unless all persons holding Security Interests in the Development Rights consent to the exercise, abandonment, or termination. No Development Rights may be exercised later than five (5) years after the date of recording of this Declaration unless fifty-one percent (51%) of the Eligible Mortgagees consent to the exercise of the Development Right.

Section 16.6. Inspection of Books. The Association shall maintain current copies of the Declaration, Bylaws, Rules, bookkeeping records, and financial statements. The Association

shall permit any Eligible Mortgagee or Eligible Insurer to inspect the documents of the Association during normal business hours.

Section 16.7. Financial Statements. Such Trustee may be required to be a corporate trustee licensed by the State of Alaska. Proceeds will thereafter be distributed pursuant to Article XX or pursuant to a condemnation award. Unless otherwise required, the members of the Executive Board acting by majority vote through the president may act as Trustee.

Section 16.11. Priority on Insurance and Condemnation Proceeds. No provision of the Documents of the Association shall be deemed to give priority to an Owner or any other party over any rights of an Eligible Mortgagee pursuant to the terms of its Security Interest in the case of distribution of insurance proceeds or condemnation proceeds, whether such proceeds pertain to a Unit or Common Elements.

ARTICLE XVII. Assessment and Collection of Common Expenses.

Section 17.1. Apportionment of Common Expenses. Except as provided in Section 17.2, all Common Expenses shall be assessed against all Units in accordance with their percentage interest in the Common Expenses as shown on Exhibit 1 to this Declaration.

Section 17.2. Common Expenses Attributable to Fewer Than All Units.

(a) Any Common Expense for services provided by the Association to an individual Unit at the request of the Unit Owner shall be assessed against the Unit that benefits from such service.

(b) Any insurance premium increase attributable to a particular Unit by virtue of activities in or construction of the Unit shall be assessed against that Unit.

(c) An assessment to pay a judgment against the Association may be made only against the Units in the Common Interest Community at the time the judgment was entered, in proportion to their Common Expense liabilities.

(d) If Common Expense is caused by the misconduct of a Unit Owner, the Association may assess that expense exclusively against the Unit.

(e) Fees, charges, late charges, fines, collection costs, and interest charged against a Unit Owner pursuant to the Documents and the Act are enforceable as Common Expense assessments.

Section 17.3. Lien.

(a) The Association has a lien on a Unit for an assessment levied against the Unit or fines imposed against its Unit Owner from the time the assessment or fine becomes due. Fees, charges, late charges, fines, and interest charged pursuant to the Act and the Documents are enforceable as assessments under this Section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

(b) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (i) a lien and encumbrances recorded before the recordation of the Declaration; (ii) a first Security Interest on the Unit recorded before the date on which the assessment sought to be enforced became delinquent; and (iii) liens for real estate taxes and other governmental assessments charged against the Unit. A lien under this Section is also prior to all Security Interests described in Subsection (ii) of this Subsection if the Common Expense assessments based on the periodic budget adopted by the Association pursuant to Section 17.4 of this Article which would have become due in the absence of acceleration during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest described in Subsection (ii) of this Subsection. This Subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of a lien for other assessments made by the Association. A lien under this Section is not subject to the provisions of AS .09.38.10.

(c) Recording of the Declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this Section is required.

(d) A lien for an unpaid assessment is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the full amount of the assessment becomes due; provided, that if an Owner of a Unit subject to a lien under this Section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's liens shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

(e) This Section does not prohibit an action to recover sums for which Subsection 17.3(a) creates a lien or prohibit an Association from taking a deed in lieu of foreclosure.

(f) A judgment or decree in any action brought under this Section shall include costs and reasonable attorneys' fees for the prevailing party.

(g) A judgment or decree in an action brought under this Section is enforceable by execution under AS 09.35.010.

(h) The Association's lien must be foreclosed as a mortgage or deed of trust on real estate is foreclosed, or as a lien is foreclosed under AS 34.35.005.

(i) In any action by the Association to collect assessments or to foreclose a lien for unpaid assessments, the court may appoint a receiver of the Unit Owner to collect all sums alleged to be due from that Unit Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Common Expense assessments based on a periodic budget adopted by the Association pursuant to Section 17.5 of this Declaration.

(j) If a holder of a first or second Security Interest in a Unit forecloses that Security Interest, the purchaser at the foreclosure sale is not liable for any unpaid assessments against that Unit which became due before the sale, other than the assessments which are prior to that Security Interest under Subsection 17.3(b). Any unpaid assessments not satisfied from the proceeds of sale become Common Expenses collectible from all the Unit Owners, including the purchaser.

(k) In the case of foreclosure, the Association shall give reasonable notice of its action to each lienholder of a Unit whose interest would be affected.

(l) Any payments received by the Association in the discharge of a Unit Owner's obligation may be applied to the oldest balance due.

(m) The Association may acquire, hold, lease, mortgage and convey a Unit foreclosed on under this Section.

(n) Except as provided in (j) above a lien under this Section is not affected by the sale or transfer of a Unit.

Section 17.4. Budget Adoption and Ratification. Within thirty (30) days after adoption of a proposed budget for the Common Interest Community, the Executive Board shall provide a summary of the budget to each Unit Owner, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all Unit Owners reject the budget, the budget is ratified, whether or not a quorum is present. If the proposed budget is

rejected, the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 17.5. Ratification of Non-budgeted Common Expense Assessments. If the Executive Board votes to levy a Common Expense assessment not included in the current budget, other than one enumerated in Section 17.2 of this Declaration, in an amount greater than fifteen percent (15%) of the current annual operating budget, the Executive Board shall submit such Common Expense to the Unit Owners for ratification in the same manner as a budget under Section 17.4, except that such assessment can be considered at a special meeting as long as the notice required for annual meetings is provided to the Unit Owners.

Section 17.6. Certification of Payment of Common Expense Assessments. The Association upon written request shall furnish to a Unit Owner a statement in recordable form setting out the amount of unpaid assessments against the Unit. The statement must be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Executive Board, and each Unit Owner.

In the event of default for a period of ten (10) days by any Unit Owner in the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right, after Notice and Hearing, to declare all unpaid assessments for the pertinent fiscal year to be immediately due and payable. The holder of a first Security Interest in a Unit which has acquired title to any Unit as a result of a foreclosure of its Security Interest shall be exempt from the application of this Subsection.

Section 17.9. Commencement of Common Expense Assessments. Common Expense assessments shall begin on the first day of the month in which conveyance of the first Unit to a Unit Owner other than the Declarant occurs.

Section 17.10. No Waiver of Liability for Common Expenses. No Unit Owner may exempt himself or herself from liability for payment of the Common Expenses by waiver of the use or enjoyment of the Common Elements or by abandonment of the Unit against which the assessments are made.

Section 17.11. Personal Liability of Unit Owners. The Owner of a Unit at the time a Common Expense assessment or portion thereof is due and payable is personally liable for the assessment. Personal liability for the assessment shall not pass to a successor in title to the Unit unless he or she agrees to assume the obligation.

Section 17.12. Reserves. As part of the adoption of the regular budget pursuant to Sections 17.4 and 17.5, the Executive Board shall include an amount which, in its reasonable business judgment, will establish and maintain an adequate reserve fund for the replacement of

improvements to the Common Elements based upon the project's age, remaining life and the quantity and replacement cost.

Section 17.13. Working Capital. Unit Owners will be required to make a payment equal to two (2) months' assessments at closing. This payment will be used for working capital for the Association. In addition, a prepayment of the first month's assessment will also be due at closing.

ARTICLE XVIII. Right to Assign Future Income.

The Association may assign its future income, including its right to receive Common Expense assessments, only by the affirmative vote of Unit Owners of Units to which at least fifty-one percent (51%) of the votes in the Association are allocated, at a meeting called for that purpose.

ARTICLE XIX. Persons and Units Subject to Documents.

Section 19.1. Compliance with Documents. All Unit Owners, tenants, mortgagees and occupants of Units shall comply with the Documents. The acceptance of a deed or the exercise of any incident of ownership or the entering into of a lease or the entering into occupancy of a Unit constitutes agreement that the provisions of the Documents are accepted and ratified by such Unit Owner, tenant, mortgagee or occupant, and all such provisions recorded in the records of the Anchorage Recording District of the Third Judicial District are covenants running with the land and shall bind any Persons having at any time any interest or estate in such Unit.

Section 19.2. Adoption of Rules. The Executive Board may adopt Rules regarding the use and occupancy of Units, Common Elements, and Limited Common Elements and the activities of occupants, subject to Notice and Comment.

ARTICLE XX. Insurance.

Section 20.1. Coverage. To the extent reasonably available, the Executive Board shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Executive Board determines that any insurance described herein will not be maintained, the Executive Board shall cause notice of that fact to be hand-delivered or sent prepaid by the United States mail to all Unit Owners and Eligible Mortgagees at their respective last known addresses.

Section 20.2. Property Insurance.

(a) Property insurance shall be maintained for all common property of the Association. **The Units, Structures within the Units and any personal property stored on the Units ARE NOT common property of the Association and must be insured by the individual Unit Owners.**

(b) Amounts. The common property shall be insured for an amount (after application of any deductions) equal to one hundred percent (100%) of its replacement cost at the time the insurance is purchased and at each renewal date. Personal property owned by the Association for an amount equal to its actual cash value. The Executive Board is authorized to obtain appraisals periodically for the purpose of establishing said replacement cost of the project facilities and the actual cash value of the personal property, and the cost of such appraisal shall be a Common Expense. The maximum deductible for insurance policies shall be the lesser of \$10,000 or one percent (1%) of the policy face amount.

(c) Risks Insured Against. The insurance shall afford protection against "all risks" of direct physical loss commonly insured against.

(d) Other Provisions. Insurance policies required by this Section shall provide that:

(i) The insurer waives the right to subrogation under the policy against a Unit Owner or member of the household of a Unit Owner;

(ii) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not void the policy or be a condition of recovery under the policy.

(iii) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance.

(iv) Loss must be adjusted with the Association.

(v) Insurance proceeds shall be paid to any insurance trustee designated in the policy for that purpose, and in the absence of such designation to the Association, in either case to be held in trust for each Unit Owner and such Unit Owner's mortgagee.

(vi) The insurer may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued, at their respective last known addresses.

(iv) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance; and

(v) The insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued at their last known addresses.

Section 20.4. Fidelity Bonds. A blanket fidelity bond shall be provided for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The bond shall name the Association as obligee and shall cover the maximum funds that will be in the custody of the Association or the manager at any time while the bond is in force, and in no event less than the sum of three months' assessments plus reserve funds. The bond shall include a provision that calls for ten (10) days' written notice to the Association, to each holder of a Security Interest in a Unit, to each Eligible Mortgagee and Eligible Insurer that serves an AHFC-owned, FNMA-owned, or FHLMC-owned mortgage on a Unit and to the insurance trustee, if any, before the bond can be cancelled or substantially modified for any reason.

Section 21.3. Plans. The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Executive Board, a majority of Unit Owners and fifty-one percent (51%) of Eligible Mortgagees. Any repair or restoration must meet existing local, state, and federal laws.

Section 21.4. Replacement of Less Than Entire Property.
