devise, bequest, transfer, encumbrance, or conveyance respectively of the entire Condominium Unit, together with all appurtenant rights created by law or by this Declaration.

Section 4. Partition not Permitted. The Common Area shall be owned in common by the Owners of Condominium Units, and no Owner may bring any action for partition thereof. There shall be no subdivision of a Condominium Unit, and no part of a Condominium Unit may be separated from any other part thereof during the period of Condominium ownership prescribed herein without written agreement of one hundred percent (100%) of the Owners of the Condominium Units in the Project and the Institutional Holders of first mortgages on seventy-five percent (75%) of the Condominium Units in the Project in order that each Condominium Unit and the undivided interest in the Common Area appurtenant to such Unit shall always be conveyed, demised, encumbered, or otherwise affected only as to a complete Condominium Unit.

Each Owner shall have the right to ingress and egress over, upon and across the Common Areas necessary for access to his Condominium Unit, and shall have the right to the horizontal and lateral support of his Condominium Unit, and such rights shall be appurtenant to and pass with the title to each Condominium Unit.

Section 7. Easements Deemed Created. Each Owner has a nonexclusive easement for and may use the Common Area. All conveyances of Condominium Units hereafter made, whether by the Declarant, or otherwise, shall be construed to grant and reserve such reciprocal easements as shall give

effect to the provisions hereof and of the Bylaws of the Association, even though no specific reference to such easements appear in any such conveyance.

Section 8. Association's Right to Use of Common Areas. The Association shall have a nonexclusive easement to make such use of the Common Area as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration, including the right to construct and maintain in the general Common Areas maintenance and storage facilities for use by the Association.

Section 9. Labor and Material Liens. No labor performed or materials furnished for use in connection with any Condominium Unit with the consent of, or at the request of, an Owner, or his agent, or subcontractor thereof, shall create any rights against any other Condominium Unit or against any interest in the Common Areas, except as to the undivided interest therein appurtenant to the Condominium Unit of the Owner for which such labor shall have been furnished. Each Owner shall indemnify and hold harmless the other Owners from and against liability or loss arising from the claim of any lien against the Project, or any part thereof, for labor performed, or for materials furnished on or for such Owner's Condominium Unit. No labor performed or materials furnished for use in connection with any construction of Units, Limited Common Areas, or Common Areas in this Condominium shall create any rights against any other Condominium Unit or against any interest in the Common Areas except as to the undivided interest therein appurtenant to the Condominium Unit.

ARTICLE XIII

ADMINISTRATION

Section 1. The Association. The administration of the Project shall be by the Sandalwood Square Condominium Association, Inc., an Alaska nonprofit corporation, in accordance with this Declaration and its Articles of Incorporation and Bylaws.

Section 2. Membership. An owner of a Condominium Unit shall automatically become a member of the Association and shall remain a member for the period of his ownership.

Section 3. Amendment of Bylaws. The Bylaws of the Association may be amended by a vote of the members of the Association whose aggregate interest in the Common Areas constitute sixty percent (60%) at a meeting of the Association duly called for such purpose.

Section 4. Managing Agent. The Board shall employ for the Association a responsible manager at a compensation established by the Board, to perform such duties and services as the Board shall authorize. Any management agreement for the Project shall conform to the guidelines established by the Federal Home Loan Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Alaska Housing Finance Corporation (AHFC) and Veterans Administration (VA) regarding the term and termination of that agreement during such period of time as FHLMC, FNMA, AHFC or VA is a Mortgagee on a Unit in the Project or is the Owner of such a Unit.

Section 5. Receipt of Bylaws. Each Owner shall receive a true and correct copy of the Bylaws of the Association upon becoming an Owner, and shall acknowledge the receipt of same at closing.

ARTICLE XIV

LIABILITY OF DIRECTORS AND OFFICERS

Section 1. Exculpation. No director or officer of the Association shall be liable for acts or defaults of any other officer or member or for any loss sustained by the Association or any member thereof, unless the same has resulted from his own wilful misconduct or negligence.

Section 2. Indemnification. The Association shall indemnify each director or officer, and his or her heirs, executors and administrators against all loss, costs and expense, including counsel fees, reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a director or officer of the Association, except as to matters as to which he shall be finally adjudged in action, suit or proceeding to be liable for gross negligence or wilful misconduct. In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or wilful misconduct in the performance of his duty as such director or officer in relation to the matter involved. The foregoing rights

shall not be exclusive of other rights to which such director or officer may be entitled. In the event the Association is required to pay any such costs, the Association shall be entitled to assess all Owners for the amount so expended, but such assessment need not be approved by fifty-one percent (51%) of the Owners or any other proportion of said Owners.

ARTICLE XV

ASSESSMENTS

Section 1. Obligation. All Owners shall be obligated to pay the assessments imposed by the Board to meet the common expenses of maintenance, operation and management of the Project. Declarant shall be obligated to pay only Seventy-five percent (75%) of the Association assessments for all Condominium Units as long as Declarant owns same, and in the same manner as though it were a Unit Owner until the same have been conveyed to a purchaser of such Unit, but no longer than 120 days after the conveyance by Declarant of the first Condominium Unit to a purchaser. Thereafter the Declarant shall be obligated to pay one hundred percent (100%) of the common expense assessments for all Condominium Units that the Declarant owns. The assessment for the common expenses provided for herein shall commence as of the first day of the month following the first sale by Declarant of a completed Condominium Unit. The Board may establish any reasonable system for collection periodically of common expense assessments.

Section 2. Annual Assessments. Assessments for the estimated common expenses computed on an annual basis shall be made by the Board and shall be payable in equal monthly installments in advance on the first day of each calendar month. Assessments made shall be based upon the estimated Project expenses including the cost of maintenance and operation of the Common Area, expenses of management, taxes and special assessments unless separately assessed, insurance premiums for insurance coverage as deemed desirable or necessary by the Board, repairs and renovations, utility charges, legal and accounting fees, management fees, expenses and liabilities incurred by the Board or Managing Agent under or by reason of this Declaration, payment of any deficit remaining from a previous assessment period, a reserve fund for replacement of Common Area components, and other costs incurred for the benefit of the Project. The omission or failure of the Board to fix the assessments for any assessment period shall not be deemed a waiver,

modification or release of the Owners from their obligation to pay the same. The Board shall have the right, but not the obligation, to make pro rata refunds of any assessments in excess of the actual expenses incurred prior to the end of the calendar year or credit such excess against the following year's annual assessment.

Section 3. Apportionments. The percentage of any assessment imposed by the Board to be paid by an Owner shall be equal to such Owner's appurtenant interest in and to the Common Area as set forth in Exhibit "C" to this Declaration.

Section 4. Time for Payment of Assessments. It is the duty of the Board of Directors to levy and enforce collection of annual assessments payable monthly on the first day of each month. Failure of the Association to give timely notice of any assessment shall not affect the liability of the Owner for such assessment. There shall accrue with each delinquent assessment a reasonable late charge in an amount to be determined by the Board of Directors, if not paid by the last day of the month in which it becomes due. Where a Unit Owner defaults on any single installment of the annual assessment, the Board of Directors may, at its option, declare that the remaining unpaid installments for the year's assessments are due and payable in full.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by this Article, the Association may levy in any assessment year a special assessment, payable over such a period as the Association may determine, for the purpose of deferring, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof or for any other expense or purchase incurred or to be incurred as provided in this Declaration. Any amounts assessed pursuant hereto shall be assessed to Owners in proportion to their respective undivided interests in the Common Area. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners and no payment shall be due less than thirty (30) days after such notice shall have been given. There shall accrue with each delinquent special assessment a reasonable late charge in an amount to be determined by the Board of Directors, if not paid by the last day of the month in which it becomes due.

Section 6. Assessment Lien. All sums assessed, but unpaid, for the share of common expenses or special assessments chargeable to any Condominium Unit shall constitute a lien on such Condominium Unit superior to all

other liens and encumbrances except (a) tax and special assessment liens on the Condominium Unit in favor of a taxing authority and (b) all sums unpaid on any first Mortgage of record on the date the monthly installment or other assessment became due. To evidence the lien as herein permitted, the Board of Directors may, but shall not be required to prepare a written notice setting forth the amount of such unpaid indebtedness, the amount of accrued penalty thereon, the name of the Owner of the Condominium Unit and a description of the Condominium Unit and record the same in the office of the Clerk of the Anchorage Recording District, State of Alaska. Such lien for assessment shall attach from the due date of the assessment. The lien may be enforced by foreclosure of the defaulting Owner's Condominium Unit by the Association in the manner for foreclosing a mortgage on real property upon recording of a notice for claim thereof. The Association may also foreclose the lien by a power of sale, or other nonjudicial foreclosure procedure provided for by the laws of the State of Alaska. In the event of any such foreclosure, the Owner shall be liable for the amount of unpaid assessments, any penalties thereon, the cost and expenses of such proceedings, the cost and expenses for filing the notice of the claim of lien and all actual attorney's fees in connection therewith. Suit to recover any judgment for any unpaid assessments shall be maintainable without foreclosure or waiving the lien securing the same.

Section 7. Notice of Lien. No action shall be brought to foreclose said assessment lien or to proceed under the power of sale herein provided less than thirty (30) days after the date a notice of Claim of Lien is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of said Unit, and a copy thereof is recorded by the Association in the office of the District Recorder of the District in which the Project is located.

Section 8. Foreclosure Sale. Any foreclosure sale provided for above is to be conducted by the Board of Directors, its attorney or other persons authorized by the Board in accordance with the provisions of A.S. 34.20.070 et. seq. applicable to the exercise of power of sales in mortgages and deeds of trust, or in any other manner permitted by law. The Association, through duly authorized agents, shall have the power to bid on the Condominium Unit at a foreclosure sale, and to acquire, hold, lease, mortgage, and convey the same.

Section 9. Personal Obligation. Assessments are payable monthly in advance or at such other time or times as the Board of Directors shall determine. Each assessment, in

addition to constituting a lien as provided for in the Act and this Declaration, shall also be, together with interest, costs and actual attorneys' fees as hereinafter provided, the personal obligation of the person who was the Owner of the Unit against which the assessment is made at the time the assessment fell due. No Owner may exempt himself from liability for the assessment by abandonment or waiver of the use or enjoyment of any of the Common Areas.

Section 10. Notice to Mortgagee. The Association shall report to any Mortgagee of a Condominium Unit default of a Unit Owner that is not cured within thirty (30) days.

Section 11. Annual Audit Furnished Holder of Mortgage. Any Institutional Holder of a first Mortgage on a Condominium Unit in the Project will, upon request, be entitled to receive an annual audited financial statement of the Project within ninety (90) days following the end of the fiscal year of the Project.

Section 12. Personal Liability of Purchaser for Assessments. If the Institutional Holder of a first Mortgage or other purchaser of a Condominium Unit obtains possession of the Condominium Unit as a result of foreclosure of the mortgage, or by deed or assignment in lieu of foreclosure, the possessor, his successors and assigns are not liable for the share of common expenses or assessments by the Association chargeable to the Condominium Unit which became due before his possession. This unpaid share of common expenses or assessments is a common expense collectible from all of the Owners, including the possessor, his successors and assigns, pro rata.

Section 13. Initial Obligation of Purchaser of a Unit. Each Purchaser of a Condominium Unit shall be required at the closing of the purchase of such Condominium Unit to deposit with the Association an amount equal to two (2) months of the particular Unit's allocation of the annual budget which sum shall be placed in the working capital fund to be used for the initial operation of the Project.

Section 14. Conveyance - Liability of Grantor and Grantee for Unpaid Common Expenses. In a voluntary conveyance, the Grantee of a Unit shall be jointly and severally liable with the Grantor for all unpaid assessments against the latter for his share of the common expenses up to the time of the Grantor's conveyance, without prejudice to the

Grantee's right to recover from the Grantor the amounts paid by the Grantee therefor. Any such Grantee shall be entitled to a statement from the Board of Directors setting forth the amount of the unpaid assessments against the Grantor and such Grantee shall neither be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessment against the Grantor in excess of the amount therein set forth.

ARTICLE XVI

AMENDMENT

This Declaration may be amended by affirmative vote of not less than sixty percent (60%) of the Owners; provided, however, the percentage of undivided interest of each Owner in the Common Area may be changed, and alterations to the Project may be authorized, only by an amendment approved by one hundred percent (100%) of the Owners; and provided further, that the written approval of the Institutional Holders of first mortgages on seventy-five percent (75%) of the Condominium Units shall be a prerequisite to the effectiveness of any action which amends any material provision of this Declaration, including but not limited to, any amendment which would change the percentage interests of the Owner in the Project.

When an amendment has been approved by the Owners and the Mortgagees, then the President of the Association shall forthwith cause a written instrument to be prepared, acknowledged and recorded in the Anchorage Recording District, Third Judicial District, State of Alaska, setting forth the amendment and certifying that the amendment shall become effective. No amendment shall be effective until recorded.

While any Unit in the Project is encumbered by a Federal Veterans Administration loan, prior written approval of the Veterans Administration shall be a condition precedent to the effectiveness of any amendment to this Declaration.

ARTICLE XVII

DAMAGE AND DESTRUCTION

Within sixty (60) days of any damage or destruction to all or part of the property, a determination to repair or reconstruct the same in accordance with the

original plan shall be made by a majority vote of all Condominium Unit Owners or a determination not to repair or reconstruct the same shall be made by a unanimous vote of all Condominium Unit Owners. If at least a majority of the Owners vote to rebuild, repair, or reconstruct, and the insurance proceeds are insufficient to repair and reconstruct, the Owners shall be liable for any deficiency as a common expense. If all or part of the property is destroyed or substantially destroyed and a vote of a majority of the Owners to rebuild, repair, or reconstruct is not obtained, the Association shall be authorized to have prepared, and to file as promptly as practical, a corrected subdivision map converting the project into an unimproved parcel of land which shall be offered for sale at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed. The net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, shall be divided and distributed jointly to the Owners and their respective mortgagees, proportionately, such proportions to be based upon the percentage of undivided interest in the Common Area, provided that the balance then due on any valid encumbrance of record shall be first paid in order of priority before the distribution of any proceeds to an Owner whose Condominium Unit is so encumbered.

In the event of substantial damage to or destruction of any Unit or any part of the Common Area, the Institutional Holder of any first mortgage on a Unit will be entitled to timely written notice of any such damage or destruction.

Substantial damage as herein used shall mean \$10,000 or more damage to the Common Area and/or \$1,000.00 or more damage to any one Unit.

ARTICLE XVIII

ALTERATION OF THE PROJECT

Restoration or replacement of the Project or the Condominium Building or construction of any additional building or structural alteration or addition to the Condominium Building, different in any material respect from the Condominium file plan of the Project, shall be undertaken only upon the prior approval by a one hundred percent (100%) vote of the Condominium Unit Owners and seventy-five percent (75%) of their respective Mortgagees. Promptly upon completion of such restoration, replacement or construction, the

Association shall duly record a complete set of floor plans of the Project so altered in a form which meets all then existing statutory requirements.

ARTICLE XIX

REPAIR AND MAINTENANCE

Section 1. Obligation of Owner.

(a) Every Owner shall at all times repair, maintain and keep his Unit and Limited Common Area subject to his exclusive control in good order and condition, and without limitation shall perform promptly all such work within his Unit the omission of which would affect any part of the Common Area or other Units and shall be responsible for all loss and damage occasioned by his failure to do so.

(b) All repairs of internal installations within each Unit such as water, light, power, sewage, telephones, doors, windows, lamps and all other fixtures and accessories to each Unit and its appurtenant Limited Common Area, including interior walls and partitions and the inner decorated or finished surfaces of the perimeter walls, floors and ceilings of such Unit shall be made at the Owner's expense. The Association shall maintain and be responsible for landscaping, snow removal, road maintenance, and maintenance and repair of on-site sewer and water lines.

(c) Every Owner shall reimburse the Association for any expenditure incurred in repairing or replacing any part of the Common Area damaged or lost through the fault of such Owner or any person under him using the Project and shall give prompt notice to the managing agent of any such damage, loss or other defects when discovered.

(d) In order to preserve a uniform exterior appearance to the building, the Board may require the painting of the building, and prescribe the type and color of paint, and may prohibit, require, or regulate any modification or decoration of the building, undertaken or proposed by any Owner. This power of the Board extends to screens, doors, awnings, rails or other visible portions of each Condominium Unit and Condominium Building.

(e) The maintenance and repair obligations of the Unit Owners and the Association are attached hereto as Exhibit "p" and incorporated herein by reference.

Section 2. Right of Entry.

(a) Any person authorized by the Board shall have the right to enter each Condominium Unit in case of any emergency originating in or threatening such Condominium Unit, or any part of the Project, whether or not the Owner or occupant is present at the time.

(b) Every Owner and occupant shall permit other Owners or their representatives to enter his Condominium Unit at reasonable times for the purpose of performing authorized installations, alterations or repairs to the Common Area, provided that requests for entry are made in advance. In case of emergency, such right of entry shall be immediate.

Section 3. Repair and Maintenance Duties of Association. The Association shall maintain, repair and make necessary improvements to, and pay for out of the maintenance funds to be provided, all Common Areas and the building thereon; all landscaping, corrective architectural and repair work within residences; if the Owner fails to repair the areas subject to his control and duty to maintain; all metered utilities in Common Area; walks and other means of ingress and egress within the Project.

ARTICLE XX

INSURANCE

Section 1. The Board of Directors shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage insuring the property and covering the interests of the Association, the Board of Directors and all Unit Owners and their Mortgagees, as their interests may appear, in the amount of 100% of replacement cost of the buildings and other improvements, including an "agreed amount" or "inflation guard" endorsement, and a construction code endorsement, each of which policies shall contain a standard mortgagee clause in favor of each Mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such Mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Association; (2) public liability insurance in such amounts and with such coverage as the Board of Directors shall from time to time

determine, but not less than One Million Dollars flat rate for each single accident or occurrence for bodily injury, or property damage, such coverage to include water damage liability for pipe breakage, and covering each member of the Board of Directors, and each Owner and with cross liability endorsement to cover liabilities of the Owners as an Association to an Owner; and (3) such other insurance as the Board of Directors may determine and customarily obtained by Projects similar in construction, location and use. All such policies shall provide that adjustment of loss shall be made by the Board of Directors and that the net proceeds thereof shall be payable to the Board of Directors, as Trustees, for the purpose of repairing or rebuilding the damaged or destroyed property in conformance with the original plans and specifications; provided, however, that insurance proceeds not used for the purpose of repairing or rebuilding the Project shall be paid to the Owners and Mortgagees as their interests may appear; and provided further, however, that any Mortgagee of any of the Units may require that insurance proceeds be disbursed to or through the Board of Directors only as reconstruction progresses in the manner normally followed by construction lenders in disbursing construction loans to their borrowers.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any reduction or pro rata liability of the insurer as a result of any insurance carried by Owners or of invalidity arising from any acts of the Insured or any Owners, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' prior written notice to all of the Insureds, including all Mortgagees of Units. Each Owner and Mortgagee shall be furnished with a copy of the master policy upon demand.

All of the insurance policies described in the coverage as set forth herein shall be reviewed at least annually by the Board of Directors and the Board of Directors shall request of the agent or insurance carrier annual or more frequent updating evaluations to insure that the fire insurance policies continuously reflect full replacement cost and the liability policies provide for adequate liability coverage. Each Owner is required to and agrees to notify the Board of all improvements by the Owner the value of which is in excess of One Thousand Dollars (\$1,000.00).

All insurance policies shall be written by companies rated as follows, or better: Financial rating BBB+; management rating A.

Unit Owners may additionally carry insurance for their own benefit insuring their carpeting, wall coverings, fixtures, furniture, furnishings, other personal property, any improvements over and above original plans and specifications of their Unit; provided, that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be affected or diminished by reason of any such additional insurance carried by any Owner.

Notwithstanding the foregoing, or any other provisions contained in this Declaration, the Board of Directors shall continuously maintain in effect such casualty insurance and fidelity bonds meeting the insurance and fidelity bond requirements for Condominium Projects established by the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Corporation, and Alaska Housing Finance Corporation so long as any of said organizations is a Mortgagee or Owner of a Condominium within the Project, except to the extent such coverage is not available or has been waived in writing by the said organization. Flood and liability insurance must be maintained on any Project that is located within the identified area by the Federal Emergency Management Agency or as having special flood hazards as determined by the National Flood Insurance Program. Where a Project is so affected, blanket flood insurance must be not less than the lesser of either the maximum coverage available under the National Flood Insurance Program for all insurable Common Areas or one hundred percent (100%) of the current replacement costs of all such Common Area buildings and facilities.

Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be named as an insured, on behalf of the Owners Association, the Owner's Association's authorized representative, including any trustee with whom such Owners Association may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance.

Each Unit Owner appoints the Owners Association, or any Insurance Trustee or substitute Insurance Trustee assigned by the Owners Association, as attorney-in-fact for the purpose of purchasing and maintaining such insurance,

including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose.

The Owners Association or its designated Insurance Trustee must receive, hold or otherwise properly dispose of any proceeds of insurance in trust for Unit Owners and their respective mortgage holders, as their interest may appear and in conformance with this Declaration.

ARTICLE XXI

ADDITIONAL PROTECTION OF MORTGAGEES

Section 1. The prior written approval of Seventy-five percent (75%) of the Institutional Holders of first mortgages and the Federal Veterans Administration, if there are any Veterans Administration loans on a Condominium Unit in the Project, will be required for at least the following:

(a) The abandonment or termination of the Condominium Project, except for abandonment or termination, if any, provided by law in the case of a taking by condemnation or eminent domain.

(b) Any material amendment to the Declaration, Articles of Incorporation of the Association or the Bylaws of the Owners Association, including, but not limited to, any amendment which would change the percentage interests of the Unit Owner in the Condominium Project.

(c) The effectuation of any decision by the Condominium Owners Association to terminate professional management and assume self-management of the Project.

The prior written approval of eligible holders of Seventy-five percent (75%) of the first mortgages (based on one vote for each first mortgage owned) of the individual Units shall be required for any of the following:

(i) Partitioning or subdividing any Unit.

(ii) Any act or omission seeking to abandon, partition, subdivide, encumber, sell or transfer the Common Areas; provided, however, that the granting of easements

for public utilities or other public purposes consistent with the intended use of the Common Areas shall not be deemed a transfer within the meaning of this clause.

(iii) Use of hazard insurance proceeds for losses to any condominium property (whether to Units or to Common Areas) for other than the repair, replacement or reconstruction of such substantial loss to the Units and/or Common Areas of the Condominium Project.

Section 2. Any lien which the Association may have on any Condominium Unit in the Project for the payment of common expense assessments attributable to such Condominium Unit will be subordinate to the lien or equivalent security interest of any first Mortgage on the Condominium Unit recorded prior to the date any such common expense assessments became due.

Section 3. Any Institutional Holder of a first mortgage on a Condominium Unit in the Project will, upon request, be entitled to notification of :

(a) Any proposed amendment of the Condominium instruments affecting a change in :

(i) The boundaries of any Unit.

(ii) The undivided interest in the Common Areas appertaining to any Unit or the liability for common expenses appertaining thereto.

(iii) The number of votes in the Association appertaining to any Unit; or

(iv) The purposes to which any Unit or the Common Areas are restricted.

(b) Any proposed termination of the Condominium Regime;

(c) Any condemnation or eminent domain proceeding affecting the Condominium Regime or any portion thereof.

(d) Any significant damage or destruction to the Common Areas or to the Unit to which the mortgage appertains.

(e) Any default under this Declaration or the Articles of Incorporation or Bylaws which gives rise to a

cause of action against the Owner of a Unit subject to the mortgage of such Holder or Insurer, where the default has not been cured in thirty (30) days.

Any Institutional Holder of a first mortgage on a Unit shall be entitled, upon request, to :

(a) Inspect the books and records of the Association during normal business hours; and

(b) Require the preparation of and, if preparation is required, receive an annual audited financial statement of the Association for the immediately preceding fiscal year, except that such statement need not be furnished earlier than ninety (90) days following the end of such fiscal year.

(c) Receive written notice of all meetings of the Owners Association and be permitted to designate a representative to attend all such meetings.

ARTICLE XXII

CONDEMNATION

Section 1. Consequences of Condemnation. If at any time or times during the continuance of Condominium ownership pursuant to this Declaration, all or any part of the Project shall be taken by any public authority or sold or otherwise disposed of in lieu of taking or in avoidance thereof, the provisions of this Article shall apply.

Section 2. Proceeds. All sums received as the award of condemnation damages and all sums received as consideration in any sale of, or other disposal in lieu of taking, the sum of which is hereinafter called the "Condemnation Award", shall be payable to such Bank or Trust Company authorized to do business in the State of Alaska as the Board shall designate as the Trustee for all Owners and Mortgagees according to the loss or damage to their respective Units or common interests.

Section 3. Complete Taking. In the event that the entire Project is taken, or sold or otherwise disposed of in lieu of taking or in avoidance thereof, the Condemnation Award shall be apportioned by the designated Bank or Trust Company among the Mortgagees and Owners in proportion to the Owners' respective undivided interests in the Common Area; provided that if a standard different from the value of the Project as a whole is employed to establish the size

of the Condemnation Award, then in determining such shares the same standard shall be employed to the extent it is relevant and applicable. Taking of, or sale of, or other disposal of the entire Project in lieu of taking shall terminate the Project's status under the Horizontal Property Regime Act as soon as the Compensation Award has been distributed by the designated Bank or Trust Company.

Section 4. Partial Taking. In the event that less than the entire Project is taken, or sold or otherwise disposed of in lieu of taking or in avoidance thereof, the Condominium Ownership hereunder shall not terminate. Each Owner shall be entitled to a share of the Condemnation Award to be determined in the following manner:

(a) In the event of partial condemnation which does not result in any Unit becoming unlivable, the proceeds shall be used:

(i) To restore the remaining Common Areas.

(ii) For payment to Unit Owners and their mortgagees specially damaged by the condemnation, which damage was an element of the Condemnation Award.

(iii) The balance shall be distributed pro rata among the Unit Owners and their Mortgagees in proportion to their percentage interest in the Common Area.

If an allocation of the Condemnation Award is already established in negotiation, judicial decree, or otherwise, then in apportioning the Condemnation Award the Board shall employ such allocation to the extent it is relevant and applicable. Distribution of apportioned proceeds shall be made by check payable jointly to the respective Owners and their respective Mortgagees.

Section 5. Reorganization. In the event a partial taking results in the taking of a complete Condominium Unit, the Owner thereof automatically shall cease to be a member of the Association. Thereafter, the Board shall reallocate the ownership, voting rights, and assessments ratio determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception and shall submit such reallocation to the Owners of remaining Condominium Units for amendment of this Declaration as provided in Article XVI hereof.

Section 6. Notice to Mortgagee. Any Institutional Holder of a First Mortgage on any Unit shall be given written notice of any condemnation proceeding described herein and no provision of any document establishing the Project will entitle the Owner of a Condominium Unit or other party to a priority over such Institutional Holder with respect to the distribution to such Condominium Unit Owner of the proceeds of any Condemnation or other award or settlement relating to a taking by eminent domain.

Section 7. Reconstruction and Repair. Any reconstruction and repair necessitated by condemnation shall be governed by the procedures specified in Article XVII and XVIII above.

ARTICLE XXIII

CONTROL BY DECLARANT

Before the election of the first Board, as provided for in the Bylaws of the Association of Owners, the Declarant, or its successors or assigns, shall have all the rights, powers and obligations of the Board herein provided for, and in the Bylaws provided for, to administer the Project; provided, however that Declarant shall be subject to all limitations of such power on the Declarant or Board provided for in this Declaration and in the Bylaws, and provided, further, that control of the Association will become vested in the purchasers of the Condominium Units within 120 days after the date when Units representing 70% of the votes of all Owners is conveyed or within 2 years following conveyance of the first Unit in a non-phased Project or within 2 years following conveyance of the first Unit of Phase I of a phased Project, whichever occurs first. In addition, the Declarant shall have the right to change or modify any or all of the terms, restrictions and covenants herein contained, which change or modification shall be effective upon the recording thereof; provided, no change or modification of this Declaration shall be made without the prior written approval of the holder of the first mortgage on the entire Condominium Project, and/or the holder of the first mortgage on any Unit or part of the Common Area and the Federal Veterans Administration, if there are any Veterans Administration loans against any Unit in the Project.

ARTICLE XXIV

BINDING EFFECT OF DECLARATIONS, BYLAWS, AND
ARTICLES OF INCORPORATION OF ASSOCIATION: POWER
TO BRING ACTION AGAINST OWNER

All provisions of this Declaration, the Bylaws, and the Articles of Incorporation of the Association shall bind and be effective upon the Owners of this Project, their tenants, employees, contractors, and any and all other persons that may use or be on or about the Project, or any part of it, in any manner.

The failure of any Owner to comply with the provisions of this Declaration, the Bylaws, or the Articles of Incorporation of the Association shall constitute a breach of contract, and shall give rise to a cause of action in the Association and any aggrieved Owner for the recovery of damages or injunctive relief or both. Any such action may be brought by the Board on behalf of the Association.

ARTICLE XXV

SEVERABILITY

If any provisions of this Declaration or the application thereof to any person or circumstance is held invalid by judgment or court order, the remaining provisions and their application to other persons, or to other circumstances shall not be affected thereby and shall remain in full force and effect.

This chart and the titles and headings used herein are not intended to restrict or encompass all maintenance functions nor to delineate all respective responsibilities between the Unit Owners, severally, and the Association. The placement of responsibility under any specific column does not always accurately reflect the precise character and nature of ownership. The appropriate sections of the Declaration determine ownership.

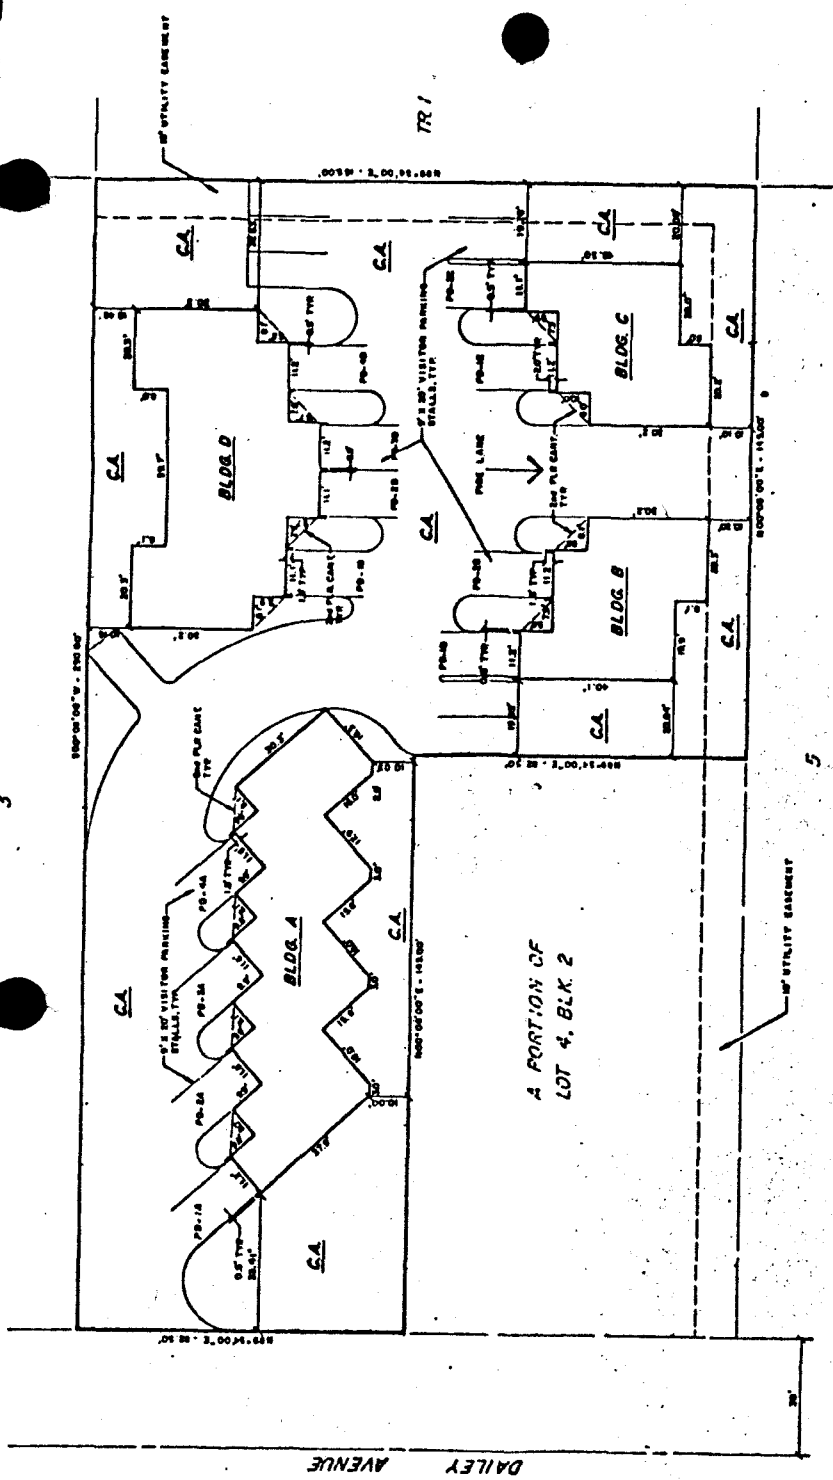

Column I: Items: Items appearing in this column are illustrative and not exhaustive.

Column II: Common Areas Under Association Responsibility. Responsibility for determining and determining for the maintenance, repair and replacement requirements of the Common Areas and determining the costs thereof shall be primarily the responsibility of the Board of Directors and such designees to which it may delegate certain such responsibilities.

Column III: Limited Common Areas Under Association Responsibility. Responsibility for determining the maintenance, repair and replacement requirements of the Limited Common Areas shall be a shared responsibility between the Board of Directors and the Unit Owner of a Unit to which a specific Limited Common Area is exclusively appurtenant, provided, however, that the Board shall have the final responsibility for determining the need for and accomplishing such maintenance, repair and replacement activities.

Column IV: Unit Components under Association Responsibility. The items in this column are legally and by definition a part of a Unit but are attached or directly connected to or associated with the Common Areas and Common Expense Items in such a way that a clear distinction between Unit Owner and Association responsibility cannot be made. Moreover, such items frequently involve matters of concern relative to the general health, safety and welfare of all of the occupants of the building. Thus, certain costs which appear to benefit a single Unit but which affect other Unit Owners are declared a Common Expense, especially when the correct functioning of an activity or element is integral to or supportive of the legally defined Common Areas and Common Expenses.

Column V: Certain Other Components Under Unit Owner's Responsibility Without Respect to Ownership of the Component. The items in this column are not intended to be exclusive and all-encompassing and do not affect responsibilities otherwise expressly provided for.
