Section 13. LEASE OF UNITS

Any unit owner may lease his unit to a third party, but such a lease arrangement must be in writing and shall provide that the failure to comply in all respects with the provisions of this Declaration and the Association Bylaws shall be a default under the terms of the lease. No unit owner may lease his unit for transient or hotel purposes; nor may less than the entire unit be leased.

All units shall be utilized in conformance with owner-occupancy requirements established by the Alaska Housing Finance Corporation (AHFC) and Federal Home Loan Mortgage Corporation (FHLMC), the Federal National Mortgage Association (FNMA) and the Veterans Administration (VA) governing the number of units in the project which may be leased to third parties. No owner or owners of a unit may enter into an agreement to lease such unit to a third party without having obtained the written consent of the Board of Directors, which shall be granted on a first-come first-served basis, and be dependent only upon compliance with the most restrictive owner-occupancy requirements established by any one of the above-named entities. Request for approval of a proposed lease shall be made in writing, directed to the President of the Association and mailed by first class mail, postage prepaid, registered, return receipt requested. The Board of Directors shall grant or refuse approval of the proposed lease and, within thirty (30) days of the mailing of the request for approval, give notice thereof in writing directed to the address indicated on the request for approval. Failure by the Board of Directors to mail the notification within the time provided herein shall be construed as an approval of the request.

ARTICLE III

ARCHITECTURAL PROVISIONS

Excepting the interior of units, no replacement, addition or alteration of the building, structure, fence,

drainage facility, common or limited-common area landscaping or planting shall be effected on any residence other than by Declarant until the plans, specifications and plot plan showing the location and nature of such replacement, addition, alteration or removal have been submitted to, and approved in writing by, the Board of Directors; nor shall any exterior painting or decorative alteration be commenced until the Board has approved the plans therefor, including the proposed color schemes, design thereof and the quality of materials to be used. All such plans and specifications shall be prepared by an architect or landscape architect or licensed building designer, said person to be employed by the unit owner making application at his sole expense. Plans and resubmittals thereof shall be approved or disapproved within thirty (30) days. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed to be approval of the plans as submitted or resubmitted. The approval of the plans and specifications may be withheld, not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by reason of reasonable dissatisfaction of the Board with the location of the structure on the residence, the elevation, color scheme, finish, design, proportions, architecture, shape, height style and appropriateness of the proposed structure or altered structure, the materials used therein, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed investment inharmonious or out of keeping with the general plan of improvement of the property or with the improvements erected on other residences. If, after such plans and specifications have been approved, the improvements are altered, erected or maintained upon the residence other than as approved by the Board, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Board having been obtained as required by this Declaration. After the expiration of one (1) year from the date of completion of any improvement, said improvement shall, in favor of purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless a notice of such noncompliance or noncompletion, executed by one member of the Board, shall appear of record in the Office of the Recorder, Anchorage Recording District, or legal proceedings shall have been instituted to enforce compliance with these provisions. The approval of the Board of any plans or specifications submitted for approval as herein specified for use on any residence shall not be deemed to be a waiver by the Board of its right to object to any of the features or

elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other residences. No member of the Board shall be liable to any person for his decisions or failure to act in making decisions as a member of said Board. The members of the Board shall receive no compensation for their services performed pursuant to this Declaration. Upon approval of the Board, it shall be conclusively presumed that the location and height of any improvement does not violate the provisions of this Declaration.

ARTICLE IV

REPAIR AND MAINTENANCE

Section 1. REPAIR AND MAINTENANCE DUTIES OF ASSOCIATION

The Association shall maintain, repair and make necessary improvements to, and pay for out of the maintenance fund to be provided, all common areas and the building thereon; all corrective architectural, landscaping and repair work within residences, if the unit owner fails to repair the areas subject to his control and duty to maintain; all metered utilities in common areas; and all parking areas, ramps, walks and other means of ingress and egress within the project. To the extent not assessed to or paid by the unit owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the common areas or limited common areas. It shall further be the affirmative duty of the Association to require strict compliance with all provisions of this Declaration and to inspect the property for any violations thereof.

Section 2. REPAIR AND MAINTENANCE BY UNIT OWNER

Each unit owner shall maintain, repair, replace and restore the limited common areas assigned to his unit and all portions of his residence, including the interior walls, ceilings, windows, floors, doors and permanent fixtures in a clean, sanitary and attractive condition.

ARTICLE V

DESTRUCTION OF IMPROVEMENTS

Section 1. DAMAGE AND DESTRUCTION

If, within sixty (60) days of damage or destruction

of all or part of the property, it is not determined by a majority of all unit owners to repair, reconstruct or rebuild in accordance with the original plans, or by unanimous vote of all unit owners to do otherwise, then:

(a) The property shall be owned in common by the unit owners;

(b) The undivided interest of the property owned in common which appertains to each of the unit owners shall be the percentage of the undivided interest previously owned by him in the common areas and facilities; and

(c) Mortgages, deeds of trust or liens affecting any of the units shall be transferred in accordance with the existing priorities to the percentage of the undivided interest of the unit owner in the property.

Section 2.

APPLICATION OF INSURANCE PROCEEDS

Subject to the provisions of Section 1, and the interests of any holder of a first mortgage, in the event of damage or destruction as the result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration, exclusive, however, of furniture, furnishings, fixtures or equipment installed by unit owners, and the Board of Directors shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense, and the Board of Directors may assess all unit owners for such deficit as part of the common charges.

Section 3.

RIGHT TO PARTITION

The common areas and facilities shall remain undivided, and no unit owner or other person may bring any action for partition or division of any part, unless the property has been removed from the provisions of the Horizontal Property Regimes Act of the State of Alaska.

Section 4.

SUBDIVISION AND COMBINATION OF UNITS
AND COMMON AREAS AND FACILITIES

A resolution adopted and signed by at least seventy-five percent (75%) of the unit owners may provide for the subdivision or combination, or both, of any unit or units or of the common or limited common areas and facilities, or any

parts thereof, and the means for accomplishing such subdivision or a combination, or both, and any such resolution shall provide, in conjunction therewith, for the appropriate amendments to this Declaration, the Bylaws or any other documents or agreements affected thereby; provided that the space combined or subdivided shall, after such subdivision or combination, have the same percentage of total value that such space had prior to such subdivision or combination unless such percentage of total value is changed by appropriate amendment in accordance with Article X hereof.

Section 5. INTERIOR DAMAGE

Restoration and repair of any damage to the interior of any individual unit shall be made by and at the individual expense of the owner of that unit and, in the event of a determination to rebuild after partial or total destruction, shall be completed as promptly as practical and in a lawful and workmanlike manner.

Section 6. NOTICE TO MORTGAGEE

Any institutional holder of a first mortgage on any unit shall be given written notice of any substantial damage or destruction to a condominium or the common elements. In any event, notice will be given whenever the damage to the common elements exceeds \$10,000, or the damage to the individual condominium exceeds \$1,000.

ARTICLE VI

ASSESSMENTS

Section 1. LEVY AND PAYMENT

All unit owners shall pay all common assessments for common expenses and all applicable special assessments and capital-improvement assessments imposed by the Board of Directors. The common assessments and applicable capital-improvement and special assessments, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of the condominium at the time when the assessment fell due. The assessment shall include payments to a general operating reserve fund for replacement as deemed necessary by the Board of Directors. The assessments levied by the Board of Directors shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the condominiums and
