Each owner of a Unit to which a Limited Common Element is allocated must agree in order for the Limited Common Element allocated to that Unit to be conveyed or subjected to a Security Interest by the Association.

Section 6.4 - Association Contract to Convey. The Association on behalf of the Unit Owners may contract to convey an interest in Common Elements as provided in this Article but the contract is not enforceable against the Association until approved as required

herein. After approval, the Association has the powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute a deed or other instrument.

ARTICLE VII - Maintenance, Repair and Replacement

Section 7.1 - Common Elements. The Association shall maintain, repair and replace all of the Common Elements of the Property, including, but not limited to, the access drives, the open space areas, and the water and sewer distribution system within the Property.

Section 7.2 - Units. Each Unit Owner shall maintain, repair and replace, at his or her own expense, all portions of his or her Unit, which includes any structure(s) built within the Unit and any fences constructed along Unit boundaries. Rights and responsibilities pertaining to maintenance and repair of Party Walls, roofs and fences are contained in Article XXVII. If the Unit Owner fails to maintain and repair his or her Unit, including the yard, fences, pavement, and any structures therein, to a standard established by rules of the Association, the Association may, after Notice and Hearing, repair or maintain the Unit as needed to bring it up to Association standards and assess the Unit Owner therefore as a Common Expense.

Section 7.3 - Access. Any person authorized by the Executive Board shall have the right of access to all portions of the Property for the purpose of correcting any condition, as described in Section 7.2, or any condition threatening a Unit or the Common Elements, and for the purpose of performing installations, alterations or repairs, and for the purpose of reading, repairing, and replacing utility meters and related pipes, valves, wires and equipment, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the affected Unit Owner. In case of an emergency, no such request or notice is required and such right of entry shall be immediate, whether or not the Unit Owner is present at the time.

Section 7.4 - Allocation of Costs of Repairs and Maintenance. Each Unit Owner will reimburse the Association for any costs incurred for repairs and maintenance performed by the Association under the provisions of Section 7.2. In addition, each Unit Owner will reimburse the Association for any costs, including insurance deductibles, incurred by the Association due to damage to any Unit or to the Common Elements, to the extent that such damages or costs were caused intentionally, negligently or by the Unit Owner's failure to properly maintain, repair or make replacements to his or her Unit. Such expense will be assessed following Notice and Hearing. The Association will be responsible for damage to Units caused intentionally, negligently or by its failure to maintain, repair or make replacements to the Common Elements.

ARTICLE VIII - Development Rights and Special Declarant Rights

Section 8.1 - Reservation of Development Rights. The Declarant reserves the following Development Rights:

(a) The right, by amendment, to add Units and Common Elements in the areas of the Common Interest Community designated as "Developer Rights Reserved" on Exhibit 2 and the Plans.

The Declarant also reserves the right to withdraw and grant easements to public utility companies and to convey Improvements within those easements anywhere in the Common Interest Community not occupied by buildings, for the purposes mentioned above. If the Declarant grants any such easements, Exhibit 4 will be amended to include reference to the recorded easement.

(b) Not more than 130 total Units may be created in Fire Eagle Condominiums pursuant to the Development Rights.

(c) All Units created pursuant to the Development Rights will be restricted to residential use in the same manner and to the same extent.

(d) For so long as Declarant controls the Executive Board, Declarant will assure that all buildings constructed in Fire Eagle Condominiums will be architecturally compatible as to style with each other and will be of comparable quality of construction.

(e) No Development Rights may be exercised, voluntarily abandoned or terminated by the Declarant unless approved as provided in Section 16.11.

Section 8.3 - Phasing of Development Rights. No assurances are made by the Declarant regarding the phasing of development in areas designated "Developer Rights Reserved" on Exhibit 2. The exercise of Declarant's reserved Development Rights as to one portion of the Property will not obligate the Declarant to exercise them in the same manner as to other portions of the Property.

Section 8.4 Special Declarant Rights. The Declarant reserves the following Special Declarant Rights, to the maximum extent permitted by law, which may be exercised anywhere within the Common Interest Community:

(a) to complete Improvements indicated on Plats and Plans filed with the Declaration;

(b) to exercise a Development Right reserved in the Declaration;

(c) to maintain sales offices, management offices, signs advertising the Common Interest Community and models;

(d) to use easements through the Common Elements for the purpose of making Improvements within the Common Interest Community; and

(e) to appoint or remove an officer of the Association or an Executive board member during a period of Declarant control subject to the provisions of Section 8.9 of this Declaration.

Section 8.5 Models, Sales Offices and Management Offices. As long as Declarant is a Unit Owner, the Declarant and its duly authorized agents, representatives and employees may maintain any Unit owned by the Declarant or any portion of the Common Elements as a model Unit, sales office or management office. Declarant may have no more than three (3) model Units and one (1) sales/management office within the Common Interest Community at any time, although the specific location may change from time to time as Units are developed and sold. A house within a model Unit or sales/management office may be no larger than a typical house constructed within a Unit for sale to the public. Declarant may delegate this authority to dealers who purchase Units for resale.

Section 8.6 Construction: Declarant's Easement. The Declarant reserves the right to perform repair and construction work, and to store materials in secure areas, in Units and Common Elements, and the further right to control all such work and repairs, and the right of access thereto, until its completion. All work may be performed by the Declarant without the consent or approval of the Executive Board. The Declarant has such an easement through the Common Elements as may be reasonably necessary for the purpose of discharging the Declarant's obligations or exercising Special Declarant Rights, whether arising under the Act or reserved in the Declaration.

Section 8.7 - Signs and Marketing. The Declarant reserves the right to post signs and displays in the Units or Common Elements to promote sales of Units, and to conduct general sales activities, in a manner that will not unreasonably disturb the rights of Unit Owners.

Section 8.8 - Declarant's Personal Property. The Declarant reserves the right to retain all personal property and equipment used in sales, management, construction and maintenance of the premises that has not been represented as property of the Association. The Declarant reserves the right to remove, promptly after the sale of the last Unit from the Property, any and all goods and improvements used in development, marketing and construction, whether or not they have become fixtures.

Section 8.9 - Declarant Control of Association.

(a) Subject to Subsection 8.9(b), there shall be a period of Declarant control of the Association, during which the Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the Executive Board. The period of Declarant control terminates no later than the earlier of:

- (i) sixty (60) days after conveyance of seventy-five percent (75%) of the Units that may be created to Unit Owners other than the Declarant;
- (ii) two (2) years after the Declarant has ceased to offer Units for sale in the ordinary course of business;
- (iii) two (2) years after any right to add new Units was last exercised; or,
- (iv) five (5) years after the first Unit is conveyed to a Unit Owner other than the Declarant.

The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Executive Board before termination of that period, but in that event, the Declarant may require, for the duration of the period of Declarant control, that specified actions of the Association or Executive Board, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

(b) Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Unit Owners other than the Declarant, at least one (1) member and not less than twenty-five percent (25%) of the members of the Executive Board, shall be elected by Unit Owners other than the Declarant. Not later than sixty (60) days after conveyance of fifty percent (50%) of the Units that may be created to Unit Owners other than the Declarant, not less than thirty-three and one-third percent (33 1/3%)

of the members of the Executive Board must be elected by Unit Owners other than the Declarant.

(c) Not later than the termination of any period of Declarant control, the Unit Owners shall elect an Executive Board of at least three (3) members, all of whom shall be Unit Owners. The Executive Board shall elect the officers. The Executive Board members and officers shall take office on election.

(d) Notwithstanding any provision of this Declaration or the Bylaws of the Association to the contrary, following notice under AS 34.08.390, the Unit Owners, by a two-thirds (2/3) vote of all persons present and entitled to vote at a meeting of Unit Owners at which a quorum is present, may remove a member of the Executive Board with or without cause, other than a member appointed by the Declarant.

Section 8.10 - Limitations on Special Declarant Rights. Unless sooner terminated by a recorded instrument executed by the Declarant, any Special Declarant Right (except for Development Rights) may be exercised by the Declarant so long as the Declarant is obligated under any warranty or obligation, owns any Units or any Security Interest on any Units, or for ten (10) years after recording the original Declaration, whichever is sooner. Earlier termination of certain rights may occur by statute.

Section 8.11 - Interference with Special Declarant Rights. Neither the Association nor any Unit Owner may take an action or adopt any rules that will interfere with or diminish any Special Declarant Right without the prior written consent of the Declarant.

ARTICLE IX - Allocated Interests

Section 9.1 - Allocation of Interests. The table showing Unit numbers and their allocated interests is attached hereto as Exhibit 1. The percentage of undivided interest in the Common Elements appertaining to each Unit for all purposes, voting and the determination of liability for Common Expenses, shall be in accordance with Exhibit 1.

Section 9.2 - Formulas for the Allocation of Interests. The formulas for the allocation of liability for Common Expenses and for the allocation of votes in the Association are as follows:

(a) Liability for Common Expenses. The percentage of liability for Common Expenses allocated to each Unit is derived by dividing the total number of Units into 100. Nothing contained in this Subsection shall prohibit certain Common Expenses from being apportioned to particular Units under Section 17.2 of this Declaration.

(b) Votes. The total number of votes in the Association shall equal the total number of Units in the Association, with one vote for each Unit in the Common Interest Community.

Any specified percentage of Unit Owners, unless otherwise stated in the Documents, means the specified percentage of all votes allocated to Units in the Association.

Section 9.3 - Assignment of Allocated Interests Pursuant to Exercise of Development Rights. The effective date for assigning Allocated Interests to Units created pursuant to Sections 8.1 and 13.8 of this Declaration shall be the date on which the amendment creating the Units is recorded in the records of the Anchorage Recording District.

ARTICLE X - Restrictions on Use, Alienation and Occupancy

Section 10.1 - Use Restrictions. Subject to the Special Declarant Rights reserved under Article VIII of this Declaration, each Unit is restricted to a single residential structure and residential use for a single family including, therein, home professional pursuits not requiring regular visits from the public or unreasonable levels of mail, shipping, trash or storage. No sign indicating commercial or professional uses may be displayed outside a Unit. A single family is defined as a single housekeeping unit, operating on a non-profit, non-commercial basis between its occupants, cooking and eating with a common kitchen and dining area.

Section 10.2 - Occupancy Restrictions. Subject to the Special Declarant Rights reserved under Article VIII of this Declaration, the following occupancy restrictions apply to the Units and the Common Elements.

(a) All residential structures built on Units must have a two-car garage, except the Genesis floor plan, which has a single-car garage. Garages may not be converted to living space.

(b) All Unit Owners shall maintain their Units in a clean and well maintained condition. No outdoor storage of trash will be permitted on any Unit. The Executive Board may regulate or prohibit the exterior storage of any type of material in order to preserve the overall value, appearance and livability of the Property.

(c) There shall be no automotive repair conducted in the open anywhere on the Property.

(d) There shall be no parking on the interior access drives, the access easement on Units 23, 24 and 28, or on the other Common Elements, except in specifically designated guest parking spaces, and the Executive Board may make rules governing use of the guest parking spaces.

(e) Commercial vehicles and equipment may not be parked or stored on the Property except for the time necessary to effectuate deliveries or complete construction.

A vehicle no larger than a Chevrolet Suburban or Ford Expedition shall not be considered a commercial vehicle for purposes of this prohibition simply because it bears a commercial logo.

(f) Campers, motor homes and other recreational vehicles parked on the Units shall not be used for living space.

(g) No animals, livestock or poultry shall be kept in any Unit, except that domestic dogs, cats, fish and birds may be kept as household pets within the Unit, provided they are not kept, bred, or raised therein for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall be deemed to limit the total number of pets to four, no more than two of which shall be dogs or cats. The Executive Board may, after Notice and Hearing limit the sizes and types of dogs, if sizes and types of dogs become a problem for the Association. Furthermore, the Executive Board may prohibit the maintenance of any animal that constitutes a nuisance to any other Unit Owner. Dogs and cats belonging to Unit Owners, occupants of Units, or their licensees or invitees, must be kept within the Unit except that they may be taken out of the Unit on a leash held by a person capable of controlling the animal. Should any dog or cat be found outside of the Unit, other than on a leash being held by a person capable of controlling the animal, the animal may be removed by Declarant or any person authorized by the Executive Board to remove the dog or cat from the Property. The dog or cat so removed shall be taken to the municipal animal shelter and, if its owner is known, the Association shall notify the owner of the animal's whereabouts. The owner of any pet visiting or residing on the Property shall be absolutely liable to all other Unit Owners, their families, guests and invitees, for any damage to persons or property caused by the pet. Owners of pets are responsible for the removal of their pets' waste from the Units and the Common Elements of the Project.

(h) Private fences along Unit boundaries may be constructed but only of solid wood and a maximum of 6 feet in height. No side yard fence shall be constructed within 31 feet of the Unit boundary along the access drive. Where a Unit has more than one boundary fronting the access drive, this prohibition applies to the boundary along the access drive from which access to a residential structure on the Unit is taken.

(i) No nuisances shall be allowed on the Condominium Property, nor shall any use be made or practice be maintained by any Unit Owner or tenant of a Unit Owner that shall interfere with the quiet enjoyment of the Property by other Unit Owners and residents. The Executive Board, after Hearing and Comment, may further refine the definition of "nuisance" in the rules of the Association.

(j) Vehicular access from the Common Element access drive to the Unit is restricted to only the "front" of the Unit as defined in Section 10.3, below.

Section 10.3 - Structure Setbacks from Unit Vertical Perimeter Boundaries.

Residential structures constructed within the Units may be attached to each other on one or both sides, in a duplex or triplex townhome configuration, with one residence per Unit. No structure shall be constructed within a front setback area defined as nineteen (19) feet from the Unit boundary adjoining the access drive, except that on a Unit with more than one frontage on the access drive, the side of the Unit from which access to the access drive is taken shall have the 19-foot setback. The other side or sides of the Unit fronting the access drive shall be considered side or rear yards, as appropriate. With the exception of the provision contained in the first sentence of this section, the structure setbacks along the side and rear Unit boundaries shall be as follows: either zero, if a unit is attached, or four (4) feet along each side Unit boundary, and seven (7) feet from the rear unit boundary, with the exception that ground level decks may be located in the rear setback area. Second story cantilevers and decks on residential structures built within the Units may extend into the front yard setback area no more than 6 feet. If a conflict arises in determining the setback area, the provisions of Title 21 of the Municipal Land Use Code pertaining to "yards" shall be used as a guide.

Section 10.4 - Minimum Home Elevation. The minimum finished floor elevation for a home built within a Unit is 244 feet mean sea level.

Section 10.5 - House Colors. Houses built within the Units may be painted or stained but the colors are limited to earth tones and pastels. Trim colors may be of a slightly darker contrasting color. All colors must be approved by the Executive Board as provided in Article XIII. All portions of a single duplex or triplex must be painted or stained the same color.

Section 10.6 - Restrictions on Alienation. A Unit may not be conveyed pursuant to a time-sharing plan. A Unit may not be leased or rented for a term of less than thirty (30) days. All leases and rental agreements shall be in writing and subject to the requirements of the Documents and the Association. A copy of all leases and rental agreements shall be given to the Association. All leases of a Unit shall include a provision that the tenant recognizes the Association as landlord, but solely for the purpose of the Association having power to enforce a violation of the provisions of the Documents against the tenant, provided that the Association first gives the Unit Owner notice of its intent to so enforce and a reasonable opportunity to cure the violation directly, prior to the commencement of an enforcement action.

ARTICLE XI - Easements and Licenses

Section 11.1 - Easement for Ingress and Egress Through Common Elements. Each Unit Owner has an easement in common with each other Unit Owner for ingress and egress through all Common Elements, subject to such reasonable rules, regulations and restrictions as may be imposed by the Association. Each Unit is hereby burdened with and

subjected to an easement for ingress and egress through all Common Elements by persons lawfully using or entitled to the same.

Section 11.2 - Easements for Support. Each Unit and Common Element shall have an easement for lateral and subjacent support from every other Unit and Common Element.

Section 11.3 - Easements for Encroachments. In the event any portion of the Common Elements encroaches upon any Unit or any Unit encroaches upon the Common Elements or another Unit as a result of the construction, reconstruction, repair, shifting, settlement, or movement of any portion of the Improvements, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

Section 11.4 - Recorded Easements and Licenses. All recorded easements or licenses to which the Common Interest Community is presently subject are recited in Exhibit 4 to this Declaration or are shown on the Plats or Plans.

ARTICLE XII - Additions, Alterations and Improvements

Section 12.1 - Additions, Alterations and Improvements by Unit Owners.

(a) No Unit Owner may make any structural addition, structural alteration, or structural improvement in or to the Common Interest Community without the prior written consent thereto of the Executive Board in accordance with Subsection 12.1(c).

(b) A Unit Owner:

(i) May make any other improvements or alterations to his or her Unit not requiring approval as long as those alterations or improvements do not impair or lessen the support of any portion of the Common Interest Community;

(ii) May not change the appearance of the Common Elements or Limited Common Elements, without permission of the Association.

(c) A Unit Owner may submit a written request to the Executive Board for approval to do anything for which approval is required. The Executive Board shall answer any written request for such approval, within thirty (30) days after the request therefor. Failure to do so within such time shall not constitute a consent by the Executive Board to the proposed action. The approval of a written request may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by reason of reasonable dissatisfaction of the Board with the location of the proposed structure, the elevation, color scheme, finish, design, proportions,

architecture, shape, height, style and appropriateness of the proposed structure or alteration, the material used therein, or because of its reasonable dissatisfaction with any or all other matters or things which in the reasonable judgment of the Board will render the proposed alteration or improvement inharmonious or out of keeping with the general plan of improvement of the Common Interest Community. Improvements erected or maintained, otherwise than as approved by the Board, shall be deemed to have been undertaken without the approval of the Board as required by the Declaration. The approval of the Board of any plans or specifications submitted for approval as herein specified shall not be deemed to be a waiver by the Board of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications. No member of the Board shall be liable to any person for his or her decisions or failure to act in making decisions as a member of said Board. Upon approval of the Board, it shall be conclusively presumed that the location and height of any improvement does not violate the provisions of this Declaration.

(d) Any applications to any department or to any governmental authority for a permit to make any addition, alteration or improvement in or to any Unit shall be approved in writing by the Association before the application is submitted to the relevant department or authority. Such approval will not, however, create any liability on the part of the Association or any of its members to any contractor, sub-contractor or materialman on account of such addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

(e) All additions, alterations and improvements to the Units and Common Elements shall not, except pursuant to prior approval by the Executive Board, cause any increase in the premiums of any insurance policies carried by the Association or by the Owners of any Units other than those affected by such change.

ARTICLE XIII - Amendments to Declaration

Section 13.1 - General. Except as otherwise provided by law or elsewhere in this Declaration, this Declaration, including the Plat and Plans, may be amended only by vote or agreement of Unit Owners of Units to which at least sixty-seven (67%) of the votes in the Association are allocated.

Section 13.2 - When Unanimous Consent Required. Except to the extent expressly permitted or required by provisions of the Act and this Declaration, an amendment may not create or increase Special Declarant Rights, create or increase the number of Units, change the number of Units, change the boundaries of a Unit, the allocated interests of a Unit, or the uses to which a Unit is restricted, in the absence of unanimous (100%) consent of the votes in the Association.

Section 13.3 - Execution of Amendments. An amendment to the Declaration required by AS 34.08.250 of the Act to be recorded by the Association, which has been adopted in accordance with this Declaration and AS 34.08.250 of the Act, must be prepared, executed, recorded and certified on behalf of the Association by an officer of the Association designated for that purpose or, in the absence of such designation, by the President of the Association.

Section 13.4 - Recordation of Amendments. Each amendment to the Declaration must be recorded in the recording district in which the Condominium is located. The amendment is effective only upon recording.

Section 13.5 - Consent of Holders of Security Interests. Amendments are subject to the consent requirements of Article XVI.

Section 13.6 - Special Declarant Rights. Provisions in the Declaration creating Special Declarant Rights may not be amended without the consent of the Declarant.

Section 13.7 - Limitations of Challenges. An action to challenge the validity of an amendment adopted by the Association pursuant to this Article may not be brought more than one (1) year after the amendment is recorded.

Section 13.8 - Amendments to Create Units. To exercise any Development Right reserved under Section 8.1(a) or (b) of this Declaration, the Declarant shall prepare, execute and record an amendment to the Declaration. The Declarant shall also record new Exhibits 1, 2 and 3 to reflect the changes made by the exercise of the Development Right. The amendment to the Declaration shall assign an identifying number to each new Unit created and reallocate the Allocated Interests among all Units. The amendment shall describe any Common Elements created thereby.

ARTICLE XIV - Amendments to Bylaws

The Bylaws may be amended only by two-thirds (2/3) of the members of the Executive Board, following Notice and Comment to all Unit Owners, at any meeting duly called for such purpose.

ARTICLE XV - Termination

Termination of the Common Interest Community may be accomplished only in accordance with Section 34.08.260 of the Act.

ARTICLE XVI - Mortgagee Protection

Section 16.1 - Introduction. This Article establishes certain standards and

covenants which are for the benefit of the holders, insurers and guarantors of certain Security Interests. This Article is supplemental to, and not in substitution for, any other provisions of the Documents, but in the case of conflict, this Article shall control.

Section 16.2 - Percentage of Eligible Mortgagees. Wherever in this Declaration the approval or consent of a specified percentage of Eligible Mortgagees is required, it shall mean the approval or consent of Eligible Mortgagees holding Security Interests in Units which in the aggregate have allocated to them such specified percentage of votes in the Association when compared to the total allocated to all Units then subject to Security Interests held by Eligible Mortgagees.

Section 16.3 - Notice of Actions. The Association shall give prompt written notice to each Eligible Mortgagee and Eligible Insurer of:

(a) Any condemnation loss or any casualty loss which affects the Common Elements, if such loss exceeds \$10,000.00, or any damage to an Improvement or a Unit on which there is a first Security Interest held, insured or guaranteed by such Eligible Mortgagee or Eligible Insurer, as applicable, if such damage exceeds \$10,000.00;

(b) Any delinquency in the payment of common expense assessments owed by an Owner whose Unit is subject to a first Security Interest held, insured, or guaranteed, by such Eligible Mortgagee or Eligible Insurer, which remains uncured for a period of sixty (60) days;

(c) Any default in the performance by the individual Unit borrower of any obligation under the condominium constituent documents which is not cured within sixty (60) days;

(d) Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association and/or the property manager;

(e) Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 16.4; and

(f) Any judgment rendered against the Association.

Section 16.4 - Consent Required.

(a) Document Changes. Notwithstanding any lower requirement permitted by this Declaration or the Act, no amendment of any material provision of the Documents by the Association or Unit Owners described in this Subsection 16.4(a) may be effective without approval in writing by at least fifty-one percent (51%) of the Eligible Mortgagees. "Material" includes, but is not limited to, any provision affecting:

- (i) Assessments, assessment liens or subordination of assessment liens;
- (ii) Voting rights;
- (iii) Reserves for maintenance, repair and replacement of Common Elements;
- (iv) Responsibility for maintenance and repair;
- (v) Reallocation of interests in the Common Elements or Limited Common Elements;
- (vi) Rights to use Common Elements and Limited Common Elements;
- (vii) Boundaries of Units;
- (viii) Convertibility of Units into Common Elements or Common Elements into Units;
- (ix) Expansion or contraction of the Common Interest Community or the addition, annexation or withdrawal of property to or from the Common Interest Community;
- (x) Insurance or fidelity bonds;
- (xi) Leasing of Units;
- (xii) Imposition of restrictions on a Unit Owner's right to sell or transfer his or her Unit;
- (xiii) Establishment of self-management when professional management had been required previously by any Eligible Mortgagee;
- (xiv) Restoration or repair of the project after a hazard damage or partial condemnation in a manner other than that specified in the Documents;
- (xv) Termination of the Common Interest Community after occurrence of substantial destruction or condemnation; and
- (xvi) The benefits of mortgage holders, insurers or guarantors.

(b) Actions. Notwithstanding any lower requirement permitted by the Declaration or the Act, the Association may not take any of the following actions without the approval of at least fifty-one percent (51%) of the Eligible Mortgagees:

- (i) The establishment of self-management when professional management had been required previously by any Eligible Mortgagee;
- (ii) The restoration or repair of the property after a hazard damage or partial condemnation in a manner other than that specified in the Documents;
- (iii) The merger of this Common Interest Community with any other Common Interest Community;
- (iv) The granting of any easements, leases, licenses and concessions through or over the Common Elements (excluding, however, any utility easements serving or to serve the Common Interest Community and excluding any leases, licenses or concessions for no more than one (1) year);
- (v) The assignment of the future income of the Association, including its right to receive common expense assessments; and
- (vi) Any action taken not to repair or replace the property.

(c) Actions requiring other than 51% Mortgagee approval. The following actions by the Association require the consent of First Mortgagees as specified below:

- (i) An eighty percent (80%) Eligible Mortgagee approval is required to convey or encumber the Common Elements or any portion thereof. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Common Interest Community will not be deemed a transfer within the meaning of this clause).
- (ii) A sixty-seven percent (67%) Eligible Mortgagee approval is required for the termination of the Common Interest Community for reasons other than substantial destruction or condemnation.
- (iii) When Unit boundaries are not otherwise being affected, only the Owners of Units affected and Eligible Mortgagees of those Units need approve the alteration of any partition or creation of any aperture between adjoining Units.
- (iv) The Association may not change the period for collection of regularly

budgeted common expense assessments to other than monthly without the unanimous (100%) consent of Eligible Mortgagees.

(d) Failure to Respond. The failure of an Eligible Mortgagee to respond within thirty (30) days to any written request of the Association for approval of an addition or amendment to the Declaration shall constitute an implied approval of the addition or amendment, provided that notice was delivered by certified or registered mail, with a return receipt requested.

Section 16.5 - Inspection of Books. The Association must maintain current copies of the Declaration, Bylaws, Rules, books, records and financial statements. The Association shall permit any Eligible Mortgagee or Eligible Insurer, or other first mortgagee of units, to inspect the books and records of the Association during normal business hours.

Section 16.6 - Financial Statements. The Association shall provide any Eligible Mortgagee or Eligible Insurer which submits a written request, with a copy of an annual financial statement within ninety (90) days following the end of each fiscal year of the Association.

Section 16.7 - Enforcement. The provisions of this Article are for the benefit of Eligible Mortgagees and Eligible Insurers and their successors, and may be enforced by any of them by any available means, at law, or in equity.

Section 16.8 - Attendance at Meetings. Any representative of an Eligible Mortgagee or Eligible Insurer may attend any meeting which a Unit Owner may attend.

Section 16.9 - Appointment of Trustee. In the event of damage or destruction under Article XXI or condemnation of all or a portion of the Community, any Eligible Mortgagee may require that such proceeds be payable to a Trustee. Such Trustee may be required to be a corporate trustee licensed by the State of Alaska. Proceeds will thereafter be distributed pursuant to Article XXI or pursuant to a condemnation award. Unless otherwise required, the members of the Executive Board acting by majority vote through the President may act as Trustee.

Section 16.10 - Priority on Insurance and Condemnation Proceeds. No provision of the Documents of the Association shall be deemed to give priority to an Owner or any other party over any rights of an Eligible Mortgagee pursuant to the terms of its Security Instrument in the case of distribution of insurance proceeds or condemnation proceeds, whether such proceeds pertain to a Unit or Common Elements.

Section 16.11 - Development Rights. No Development Rights may be exercised or voluntarily abandoned or terminated by the Declarant unless all persons holding Security Interests in the Development Rights consent to the exercise, abandonment, or termination.

No Development Rights may be exercised later than five (5) years after the date of recording of this Declaration, unless fifty-one percent (51%) of the Eligible Mortgagees consent to the exercise of the Development Right.

ARTICLE XVII - Assessment and Collection of Common Expenses

Section 17.1 - Apportionment of Common Expenses. Except as provided in Section 17.2, all Common Expenses shall be assessed against all Units in accordance with their percentage interest in the Common Expenses as shown on Exhibit 1 to this Declaration.

Section 17.2 - Common Expenses Attributable to Fewer than all Units.

(a) Any Common Expense for services provided by the Association to an individual Unit, either required by the Declaration or provided at the request of the Unit Owner, shall be assessed against the Unit which benefits from such service.

(b) Any insurance premium increase attributable to a particular Unit by virtue of activities in or construction of the Unit shall be assessed against that Unit.

(c) An assessment to pay a judgment against the Association may be made only against the Units in the Common Interest Community at the time the judgment was entered, in proportion to their Common Expense liabilities.

(d) If a Common Expense is caused by the misconduct of a Unit Owner, the Association may assess that expense exclusively against the Unit.

(e) Fees, charges, late charges, fines, collection costs and interest charged against the Unit Owner pursuant to the Documents and the Act are enforceable as Common Expense assessments.

Section 17.3 - Lien.

(a) The Association has a lien on a Unit for an assessment levied against the Unit or fines imposed against its Unit Owner from the time the assessment or fine becomes due. Fees, charges, late charges, collection costs, including reasonable attorney's fees, fines and interest charged pursuant to AS 34.08, as it may be amended from time to time, and any of the Association's Documents are enforceable as assessments under this Section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

(b) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (1) a lien and encumbrance recorded before the recordation of the original

Declaration described above in the introductory paragraph of this Document; (2) a first Security Interest on the Unit recorded before the date on which the assessment sought to be enforced became delinquent; and (3) liens for real estate taxes and other governmental assessments or charges against the Unit. A lien under this Section is also prior to all Security Interests described in Subdivision (2) of this Subsection if the common expense assessment based on the periodic budget adopted by the Association, pursuant to Section 17.4 of this Article, would have become due in the absence of acceleration during the six (6) months immediately preceding the institution of an action to enforce the Association's lien. This does not affect the priority of mechanic's or materialmen's liens, nor the priority of a lien for other assessments made by the Association. A lien under this Section is not subject to the provisions of AS 09.38.010, as it may be amended from time to time.

(c) Recording of the Declaration constitutes a record notice and perfection of the lien. Further recording of a claim of lien for assessments under this Section is not required.

(d) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the full amount of the assessment becomes due; provided that if an Owner of a Unit subject to a lien under this Section files a petition for relief under the US Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay of proceedings under §362 of the US Bankruptcy Code is lifted.

(e) This Section does not prohibit an action to recover sums for which Subparagraph (c) of this Section creates a lien or foreclosure or prohibit the Association from taking a deed in lieu of foreclosure.

(f) When the Association acquires a judgment or decree in any action brought under this Section, such judgment or decree shall include an award to the Association for actual collection costs and reasonable attorney's fees.

(g) A judgment or decree in an action brought under this Section is enforceable by execution under AS 09.35.010, as it may be amended from time to time.

(h) The Association's lien must be foreclosed as a lien is foreclosed under AS 34.35.005, as it may be amended from time to time.

(i) In any action by the Association to collect assessments or to foreclose a lien for unpaid assessments, the court may appoint a receiver of the Unit Owner to collect all sums alleged to be due from that Unit Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's common expense assessments based on a periodic budget adopted by the Association pursuant to Section 17.4.

(j) The purchaser at a foreclosure sale initiated by the holder of a Security Interest in a Unit is not liable for any unpaid assessments against the Unit which became due before the sale, other than the assessments which are prior to that Security Interest under Subsection 17.3(b) above. Any unpaid assessments not satisfied from the proceeds of sale become common expenses for which all the Unit Owners, including the purchaser, may be assessed. For the purposes of this paragraph, "the purchaser" shall include, but not be limited to, any holder of a Security Interest in a Unit which obtains title to a Unit.

(k) Any payments received by the Association to discharge a Unit Owner's obligation may be applied to the oldest balance due.

(l) The Association may acquire, hold, lease, mortgage and convey a Unit foreclosed upon pursuant to this Section for unpaid assessments.

(m) A lien under this Section shall not be affected by any sale or transfer of a Unit except as provided in Subsection (j) above.

Section 17.4 - Budget Adoption and Ratification. The Executive Board shall adopt a proposed budget for the Common Interest Community, and shall, within thirty (30) days after adoption, provide a summary of the budget to each Unit Owner. The Executive Board shall set a date for a meeting of the Unit Owners to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all Unit Owners rejects the budget, the budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 17.5 - Non-Budgeted Common Expense Assessments. If the Executive Board votes to levy a common expense assessment not included in the current budget, other than one enumerated in Section 17.2, in an amount greater than fifteen percent (15%) of the current annual operating budget, the Board of Directors shall submit such common expenses to the Unit Owners for their consideration and comment in the same manner as a budget under Section 17.4 above; provided, however, that such assessment can be considered at a special meeting as long as the notice required for annual meetings is provided to the Unit Owners.

Section 17.6 - Certificate of Payment of Common Expense Assessments. The Association upon written request shall furnish to a Unit Owner a statement in recordable form setting out the amount of unpaid assessments against his or her Unit. The statement must be furnished within ten (10) business days after receipt of the request and is binding upon the Association, the Executive Board and each Unit Owner.

Section 17.7 - Monthly Payment of Common Expenses. All common expenses assessed under this Article XVII shall be due and payable monthly.

Section 17.8 - Acceleration of Common Expense Assessments. In the event of a default for a period of ten (10) days by any Unit Owner in the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right, after Notice and Hearing, to declare all unpaid assessments for the pertinent fiscal year to be immediately due and payable. The holder of a first Security Interest in a Unit which has acquired title to any Unit as a result of a foreclosure of its Security Interest shall be exempt from the application of this Subsection.

Section 17.9 - Commencement of Common Expense Assessments. Common Expense assessments shall begin on the first day of the month in which conveyance of the first Unit to a Unit Owner other than the Declarant occurs.

Section 17.10 - No Waiver of Liability for Common Expenses. No Unit Owner may exempt himself or herself from liability for payment of the common expenses by waiver of the use or enjoyment of the Common Areas or by abandonment of the Unit against which the assessments are made.

Section 17.11 - Personal Liability of Unit Owners. The Owner of a Unit at the time a common expense assessment or portion thereof is due and payable is personally liable for the assessment. Personal liability for the assessment shall not pass to a successor in title to the Unit unless he or she agrees to assume the obligation.

Section 17.12 - Reserves. As part of the adoption of the regular budget pursuant to Sections 17.4 and 17.5, the Executive Board shall include an amount which, in its reasonable business judgment, will establish and maintain an adequate reserve fund for the replacement of improvements to the Common Elements and those Limited Common Elements that it is obligated to maintain, based upon the project's age, remaining life and the quantity and replacement cost of major Common Elements and Limited Common Elements.

ARTICLE XVIII - Right to Assign Future Income

The Association may assign its future income, including its right to receive Common Expense assessments, only by the affirmative vote of Unit Owners of Units to which at least fifty-one percent (51%) of the votes in the Association are allocated, at a meeting called for that purpose.

ARTICLE XIX - Persons and Units Subject to Documents

Section 19.1 - Compliance with Documents. All Unit Owners, tenants, mortgagees and occupants of Units shall comply with the Documents. The acceptance of a deed or the exercise of any incident of ownership or the entering into of a lease or entering into occupancy of a Unit constitutes agreement that the provisions of the Documents are accepted and ratified by such Unit Owner, tenant, mortgagee or occupant, and all such provisions recorded in the records of the Anchorage Recording District, Third Judicial District, State of Alaska, are covenants running with the land and shall bind any Persons having at any time any interest in such Unit.

Section 19.2 - Adoption of Rules. After Notice and Comment, the Executive Board may adopt Rules regarding the use of the Common Elements, and the use and occupancy of Units and Limited Common Elements, and the activities of occupants as they affect the Common Elements.

ARTICLE XX - Insurance

Section 20.1 - Coverage. To the extent reasonably available, the Executive Board shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Executive Board determines that any insurance described herein will not be maintained, the Executive Board shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Unit Owners and Eligible Mortgagees at their respective last known addresses.

Section 20.2 - Property Insurance.

(a) **Property insurance shall be maintained covering all common property of the Association. Structures within the Units and any personal property stored on the Units are not common property of the Association and must be insured by the individual Unit Owners.**

(b) Amounts. The common property shall be insured for an amount (after application of any deductions) equal to one hundred percent (100%) of their replacement cost at the time the insurance is purchased and at each renewal date. Personal property owned by the Association shall be insured for an amount equal to its actual cash value. The Executive Board is authorized to obtain appraisals periodically for the purpose of establishing said replacement cost of the project facilities and the actual cash value of the personal property, and the cost of such appraisals shall be a Common Expense. The maximum deductible for insurance policies shall be the lesser of \$10,000.00 or one percent (1%) of the policy face amount. Allocation of responsibility for payment of the deductible shall be according to the policy established by the Executive Board.

(c) Risks Insured Against. The insurance shall afford protection against "all risks" of direct physical loss commonly insured against.

(d) Other Provisions. Insurance policies required by this Section shall provide that:

(i) The insurer waives the right to subrogation under the policy against a Unit Owner or member of the household of a Unit Owner.

(ii) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy.

(iii) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

(iv) Loss must be adjusted with the Association.

(v) Insurance proceeds shall be paid to any insurance trustee designated in the policy for that purpose, and in the absence of such designation, to the Association; in either case, to be held in trust for each Unit Owner and such Unit Owner's mortgagee.

(vi) The insurer may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued, at their respective last known addresses.

(vii) The name of the insured shall be substantially as follows:

"FIRE EAGLE CONDOMINIUM ASSOCIATION for the use and benefit of the individual Owners."

Section 20.3 - Liability Insurance. Liability insurance, including medical payments insurance, in an amount determined by the Executive Board but in no event less than \$1,000,000, covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Elements, and the activities of the Association. Insurance policies carried pursuant to this Section shall provide that:

(a) Each Unit Owner is an insured person under the policy with respect to liability arising out of the interest of the Unit Owner in the Common Elements or membership in the Association;

(b) The insurer waives the right to subrogation under the policy against a Unit Owner or member of the household of a Unit Owner;

(c) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy;

(d) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance; and

(e) The insurer issuing the policy may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner, and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued at their last known address.

Section 20.4 - Fidelity Bonds. A blanket fidelity bond is required for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The bond shall name the Association as obligee and shall cover the maximum funds that will be in the custody of the Association or the manager at any time while the bond is in force, and in no event less than the sum of three (3) months' assessments plus reserve funds. The bond shall include a provision that calls for ten (10) days' written notice to the Association, to each holder of a Security Interest in a Unit, to each servicer that services a FNMA-owned, VA-owned, FHLMC-owned, or AHFC-owned mortgage on a Unit and to the insurance trustee, if any, before the bond can be canceled or substantially modified for any reason.

Section 20.5 - Unit Owner Policies. An insurance policy issued to the Association does not prevent a Unit Owner from obtaining insurance for his or her own benefit. **Structures and personal property within and on the Units are not common property of the Association and must be insured by the individual Unit Owners.**

Section 20.6 - Workers' Compensation Insurance. The Executive Board shall obtain and maintain Workers' Compensation Insurance to meet the requirements of the laws of the State of Alaska.

Section 20.7 - Directors' and Officers' Liability Insurance. The Executive Board shall obtain and maintain directors' and officers' liability insurance, if available, covering all of the Directors and officers of the Association in such limits as the Executive Board may, from time to time, determine.

Section 20.8 - Other Insurance. The Association may carry other insurance which the Executive Board considers appropriate to protect the Association and/or the Unit Owners.

Section 20.9 - Premiums. Insurance premiums shall be a Common Expense.

ARTICLE XXI - Damage To Or Destruction Of Property

Section 21.1 - Duty to Restore. A portion of the Common Interest Community for which insurance is required under Section 34.08.440 of the Act or for which insurance carried by the Association is in effect, whichever is more extensive, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (a) The Common Interest Community is terminated;
- (b) Repair or replacement would be illegal under a state statute or municipal ordinance governing health or safety; or
- (c) Eighty percent (80%) of the Unit Owners, including each Owner of a Unit or assigned Limited Common Element that will not be rebuilt, vote not to rebuild.

Section 21.2 - Cost. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense.

Section 21.3 - Plans. The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Executive Board, a majority of Unit Owners, and fifty-one percent (51%) of Eligible Mortgagees. Said plans and specifications must meet all existing federal, state and municipal code requirements.

Section 21.4 - Replacement of Less than Entire Property.

(a) The insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Common Interest Community.

(b) Except to the extent that other persons will be distributees,

(i) The insurance proceeds attributable to a Unit and Limited Common Elements that is not rebuilt must be distributed to the Owner of the Unit and the Owner of the Unit to which the Limited Common Elements were allocated, or to lien holders, as their interests may appear; and

(ii) The remainder of the proceeds must be distributed to each Unit Owner or lien holder, as their interests may appear, in proportion to the Common Element interests of all the Units.

(c) If the Unit Owners vote not to rebuild a Unit, the Allocated Interests of the Unit are reallocated upon the vote as if the Unit had been condemned under Subsection 34.08.740(a) of the Act, and the Association shall promptly prepare, execute and record an amendment to the Declaration reflecting the reallocations.

Section 21.5 - Insurance Proceeds. The insurance trustee, or if there is no insurance trustee, then the Executive Board of the Association, acting through the President, shall hold any insurance proceeds in trust for the Association, Unit Owners and lien holders as their interests may appear. Subject to the provisions of Subsection 21.1(a) through Subsection 21.1(c), the proceeds shall be disbursed first for the repair or restoration of the damaged Property, and the Association, Unit Owners and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Common Interest Community is terminated.

Section 21.6 - Certificates by the Executive Board. The Trustee, if any, may rely on the following certifications in writing made by the Executive Board:

(a) Whether or not damaged or destroyed Property is to be repaired or restored;
and

(b) The amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

Section 21.7 - Title Reports and Certificates by Attorneys. Title insurance companies or, if payments are to be made to Unit Owners or Mortgagees, the Executive Board and the Trustee, if any, shall obtain and may rely on a title insurance company or attorney's certificate of title or a title insurance policy based on a search of the records of the District Recorder's Office, Anchorage Recording District, Third Judicial District, State of Alaska, from the date of the recording of the original above-described Declaration stating the names of the Unit Owners and the Mortgagees.

ARTICLE XXII - Rights to Notice and Comment; Notice and Hearing

Section 22.1 - Right to Notice and Comment. Before the Executive Board amends the Bylaws or the Rules, whenever the Documents require that an action to be taken after "Notice and Comment", and at any other time the Executive Board determines, the Unit Owners have the right to notice of the proposed action and the right to comment orally or in writing. Notice of the proposed action shall be given to each Unit Owner in writing and

shall be delivered personally or by mail to all Unit Owners at such address as appears in the records of the Association, or published in a newsletter or similar publication which is routinely circulated to all Unit Owners. The notice shall be given not less than ten (10) days before the proposed action is to be taken. It shall invite comment to the Executive Board orally or in writing before the scheduled time of the meeting. The right to Notice and Comment does not entitle a Unit Owner to be heard at a formally constituted meeting.

Section 22.2 - Right to Notice and Hearing. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. The notice shall be given not less than ten (10) days before the hearing date. At the hearing, the affected Person shall have the right, personally or by a representative, to give testimony orally, in writing or both (as specified in the notice), subject to reasonable rules of procedure established by the party conducting the meeting to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. The affected Person shall be notified of the decision in the same manner in which notice of the meeting was given.

Section 22.3 - Appeals. Any Person having a right to Notice and Hearing shall have the right to appeal to the Executive Board from a decision of Persons other than the Executive Board by filing a written notice of appeal with the Executive Board within ten (10) days after being notified of the decision. Section 23.3 - Executive Board Limitations. The Executive Board may not act on behalf of the Association to amend this Declaration, to terminate the Common Interest Community, or to elect members of the Executive Board or determine the qualifications, powers and duties, or terms of office of Executive Board members, but the Executive Board may fill vacancies in its membership for the unexpired portion of the term.

ARTICLE XXIV - Open Meetings

Section 24.3 - Executive Sessions. Meetings of the Executive Board may be held in executive session, without giving notice and without the requirement that they be open to Unit Owners where the action taken at the executive session involves personnel, pending litigation, contract negotiations, or enforcement actions, or where no action is taken at the executive session requiring the affirmative vote of Directors.

Payments to the working capital fund are not advance payment of regular assessments. Within 60 days after closing of the first Unit, Declarant must pay each unsold Unit's share of the working capital fund to the Association, which shall keep all working capital funds in a segregated account. Declarant shall be reimbursed for its working capital fund payments from funds collected at closing when the unsold units are sold. The working capital fund may be terminated at such time as that is permitted by the Eligible Mortgagees.

- (b) If rebuilding of a Party Wall is necessary, the Party Wall shall be rebuilt on the same location and to the same width as the Party Wall being replaced.
- (c) A Unit Owner making repairs to or rebuilding a Party Wall, upon reasonable notice to the other Unit Owner, shall be given access to the other Unit, as reasonably necessary to make the repairs to or conduct the rebuilding of the Party Wall but shall take all due precaution not to damage the property of the other Unit Owner.
- (d) As permitted by the Association and local law, a Party Wall may be extended by a Unit Owner and the other Unit Owner shall have the right to use the extended Party Wall by paying the Unit Owner one-half the cost of such part of the Party Wall as the other Unit Owner shall use. The other Unit Owner shall be responsible for one-half of the maintenance cost of only that portion of the extended Party Wall that the other Unit Owner uses.

Section 27.5 - Destruction by Fire or Other Casualty. A Party Wall that has been damaged or destroyed by fire or other casualty may be restored by either Unit Owner. If the other Unit Owner thereafter makes use of the Party Wall, the other Unit Owner shall contribute to the cost of restoration thereof in proportion to such use subject, however, to the Unit Owner's right to call for a larger contribution from the other Unit Owner under the applicable rule of law regarding liability for negligent or wilful acts or omissions.
