All work may be performed by the Declarant without the consent or approval of the Executive Board. The Declarant has an easement through the Common Elements, including water and sewer extension lines, as may be reasonably necessary for the purpose of discharging the Declarant's obligations or exercising any Development or Special Declarant Rights, whether arising under the Act or reserved in this Declaration. Such easement also includes the Declarant's right to convey utility and drainage easements to public utilities, municipalities, the State, riparian owners, or upland owners.

Section 6.6. <u>SALES ACTIVITIES</u>.

Notwithstanding any contrary provisions of Section 11.5, the Declarant reserves the right to post signs and displays in the Common Elements to promote sales of Units, and to conduct general

sales activities, in a manner which does not unreasonably disturb Unit Owners' rights.

Section 6.7. <u>UNIT OWNERSHIP BY DECLARANT</u>.

Until Declarant no longer owns any Units in the Common Interest Community, the Declarant and its duly authorized agents, representatives, and/or employees may maintain any Unit owned by the Declarant or any portion of the Common Elements as a model Unit, sales office, or management office.

- (iii) two (2) years after any right to add new Units was last exercised; or
- (iv) five (5) years after the first Unit in the Common Interest Community is conveyed to Unit Owners other than a Declarant.

The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Executive Board before termination of that period, but in that event the Declarant may require, for the duration of the period of Declarant control,

- (b) Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Unit Owners other than a Declarant, at least one member and not less than twenty-five percent (25%) of the members of the Executive Board shall be elected by Unit Owners other than the Declarant. Not later than sixty (60) days after conveyance of fifty percent (50%) of the Units that may be created to Unit Owners other than a Declarant, not less than thirty-three and one-third percent (33 1/3%) of the members of the Executive Board must be elected by Unit Owners other than the Declarant.

- (d) Notwithstanding any provision of this Declaration or the Bylaws to the contrary, following notice under AS 34.08.390, the Unit Owners, by a two-thirds (2/3) vote of all Persons present and entitled to vote at any meeting of the Unit Owners at which a quorum is present, may remove any member of the Executive Board with or without cause, other than a member appointed by the

Section 6.9. TRANSFERENCE OF DECLARANT RIGHTS.

Declarant may transfer any and all rights reserved by this Declaration to a transferee Declarant pursuant to AS 34.08.350.

Section 6.10. LIMITATIONS.

- (a) The Declarant or Affiliate of Declarant may not bind the Association to any management contract, employment contract, lease of facilities, licenses, or other contracts or leases unless the Association has the right of termination thereof, exercisable without penalty with not more than ninety (90) days' notice to the other party.
- (b) Unless Declarant has previously terminated its Special Declarant Rights by recorded instrument or unless sooner

terminated by the Act, any Special Declarant Right, except for Development Rights, may be exercised by the Declarant so long as:
(1) the Declarant is obligated under any warranty or obligation, owns any Units, or has any Security Interest in any Units; or (2) for twenty (20) years after recording the original Declaration, as long as Declarant continues to be obligated under any warranty or obligation, own any Units, or continues to have any Security Interest in any Units.

Section 6.11. CONSTRUCTION OF MAILBOXES.

Declarant reserves the right and has an easement on any portion of the Common Interest Community to construct centralized mailbox facilities for the Units and any necessary appurtenances.

Section 6.12. GOVERNMENTAL INTERESTS.

So long as the Declarant owns any Property described on Exhibit "A" or added by amendment to the Common Interest Community, the Declarant may designate sites within the Properties for fire, police, utility facilities, public schools and parks, and other public facilities. The sites may include Common Elements.

Section 6.13. CONFLICT.

If any provisions of this Article conflict with other provisions of this Declaration, this Article shall control.

ARTICLE 7. ALLOCATED INTERESTS

Section 7.1. TABLE OF ALLOCATED INTERESTS.

The Table of Allocated Interests, attached as Exhibit C, reflects Units and their Allocated Interests. These interests have been allocated in accordance with the formulas set out in this Article.

Section 7.2. <u>ALLOCATION FORMULAS</u>.

- (a) $\underline{\text{Votes}}$. Each Unit in the Common Interest Community shall have one equal vote.
- (b) <u>Undivided Interests</u>. The percentage of liability for any Common Expenses and for the undivided interest in the Common Elements allocated to each Unit is an equal percentage interest derived by dividing the total number of Units in the

Common Interest Community into one hundred percent (100%). The specified percentage is set forth in Exhibit C. When Units are added to or removed from the Common Interest Community, the above formula shall be used in reallocating interest and liabilities of Units and a revised Exhibit C shall be recorded in an amendment to the Declaration. Nothing in this subsection shall preclude apportionment of Common Expenses pursuant to Article 8.

ARTICLE 8. COMMON EXPENSE ASSESSMENT AND COLLECTION

Section 8.1. <u>COMMON EXPENSE APPORTIONMENT</u>.

Except as otherwise provided in Section 8.2, any Common Expenses shall be assessed against all Units in accordance with their percentage interest in the Common Expenses. <u>See</u> Table of Interest, attached as Exhibit C.

Section 8.2. <u>APPORTIONMENT OF COMMON EXPENSES TO LESS</u> THAN ALL UNITS.

- (a) Any Common Expenses associated with the maintenance, repair, or replacement of any Limited Common Element which serves exclusively one Unit shall be assessed against that Unit. If any Limited Common Element serves more than one Unit, but less than all Units, the Common Expenses attributable to the Limited Common Element shall be assessed equally among the Units it serves.
- (b) Any Common Expenses for services provided by the Association for the benefit of an individual Unit at the request of the individual Unit Owner shall be assessed against said Unit.
- (c) If an expense to the Association is caused by the misconduct of a Unit Owner, the Unit Owner's family members, guests, or invitees, the Association may assess that expense exclusively against the Unit.
- (d) Any Common Expense insurance premium increase attributable to a particular Unit by virtue of activities in the Unit or by the Unit Owner, or by a Unit Owner's loss history, shall be assessed against that Unit.
- (e) An assessment to pay a judgment against the Association may be made only against the Units in the Common Interest Community at the time the judgment was entered, in proportion to their percentage interests in the Common Expenses at the time judgment was entered.

(f) Any fees, charges, late charges, fines, collection costs, and interest charged against a Unit Owner pursuant to the Documents and the Act are enforceable as Common Expense assessments.

Section 8.3. LIEN.

- (a) The Association shall have a lien on a Unit for any assessment levied against the Unit and/or for any fines, fees, charges, late charges, collection costs, and/or interest imposed against its Unit Owner from the time any such assessment or fines, fees, charges, late charges, collection costs, and/or interest become due. The full amount of the assessment, fines, fees, charges, late charges, collection costs, and/or interest is a lien from the time the first installment thereof becomes due. Subject to subsection 8.3.(h), liens under this section are not affected by sale or transfer of a Unit.
- (b) The recordation of this Declaration constitutes record notice and perfection of the lien. This Section does not require further recording of a claim of lien for assessment.
- (c) The Association's lien must be foreclosed pursuant to AS 34.35.005 as it may be amended from time to time.
- (d) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (1) a first Security Interest on a Unit recorded before the date on which the assessments sought to be enforced became delinquent, unless such assessments, based on the periodic budget adopted by the Association pursuant to Section 8.4, would have become due in the absence of acceleration during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest described in this Section; (2) liens for real estate taxes and other governmental assessments or charges against the Unit; and (3) liens and encumbrances recorded before the recordation of the Declaration.

This subsection does not affect the priority of mechanic's or materialmen's liens, or the priority of a lien for other assessments made by the Association. A lien under this Section is not subject to the provisions of AS 09.38.010.

- (e) Subject to subsection 8.3.(f), a lien for an unpaid assessment is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the full amount of the assessment becomes due.
- (f) If an Owner of a Unit subject to a lien under this Section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.
- (g) This section shall not be construed to prohibit an action to recover sums for which subsection 8.3.(a) creates a lien or prohibit the Association from taking a deed in lieu of foreclosure.
- (h) If a holder of a first or second Security Interest in a Unit forecloses that Security Interest, the purchaser at the foreclosure sale is not liable for any unpaid assessments against that Unit which became due before the sale, other than the assessments which are prior to that Security Interest under subsection 8.3.(d). Any unpaid assessments not satisfied from the proceeds of the foreclosure sale become Common Expenses collectible from all the Unit Owners, including said purchaser. "Purchaser" for purposes of this subsection, includes any Security Interest holder that obtains title through foreclosure.
- (i) If the Association commences any action to foreclose a lien for unpaid assessments or to otherwise collect assessments, the court may appoint a receiver of the Unit Owner. The court may then order the receiver to: (1) collect all sums alleged to be due from the Unit Owner prior to or during the pendency of the action; (2) pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Common Expense assessments based on a periodic budget adopted by the Association; and (3) take any other actions consistent with this Declaration and the Act.
- (j) A judgment or decree in any action brought under this Section shall include costs and reasonable attorney's fees for the prevailing party and is enforceable by execution under AS 09.35.010.
- (k) If the Association forecloses on a Unit pursuant to this Section for unpaid assessments, the Association may hold, mortgage, lease, and convey such Unit.

(1) Any payments received by the Association in the discharge of a Unit Owner's obligation may be applied first to interest, late charges, collection costs, fines, and fees, and then to the oldest balance due from the Unit Owner for Common Expense assessments.

Section 8.4. ADOPTION AND RATIFICATION OF PROPOSED BUDGET.

Within thirty (30) days after adoption of a proposed budget for the Common Interest Community, the Executive Board shall mail or otherwise provide a summary of the proposed budget to each Unit Owner, and shall set a date for a meeting fourteen (14) to thirty (30) days from mailing or otherwise providing the summaries to the Unit Owners, for the Unit Owners to consider ratification of the budget. Unless a Majority of Unit Owners reject the proposed budget at that meeting, the budget is ratified. If the proposed budget is rejected, the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 8.5. NONBUDGETED COMMON EXPENSES.

If the Executive Board votes to levy a Common Expense assessment not included in the current budget and not attributable to fewer than all Units as described in Section 8.2, the Common Expense assessment shall be submitted to the Unit Owners and ratified in accordance with Section 8.4.

Section 8.6. <u>CERTIFICATION OF UNPAID ASSESSMENTS</u>.

Upon a Unit Owner's written request, the Association shall provide a statement in recordable form setting out the amount of unpaid assessments against the Unit. The Association must provide the statement within ten (10) business days after it receives the Unit Owner's request and is binding on the Association, the Executive Board, and each Unit Owner.

Section 8.7. <u>COMMON EXPENSES TO BE PAID MONTHLY</u>.

All Common Expenses assessed under this Section, including those for use of water and sewage extension lines, shall be due and payable monthly.

Section 8.8. ASSESSMENT RESERVE FUND.

Declarant shall establish a reserve fund in an amount at least equal to the projected assessments for a two-month period for

each Unit in the Common Interest Community. Upon the first conveyance of record title to a Unit from Declarant, the Unit Owner shall contribute to the Association's reserve fund for said Unit an amount at least two times the monthly assessment in effect at the time of sale but no less than the amount originally contributed by Declarant in establishing the reserve fund for said Unit. Upon the sale of each Unit from the Declarant to a Unit Owner, Declarant shall receive from the Association reserve fund a refund of the contribution to the reserve fund made by Declarant for such Unit.

The Association shall maintain the reserve funds in a segregated account to meet unforeseen expenditures or to acquire additional equipment or services for the benefit of the Unit Owners. Any payments to this fund shall not be considered advance payments of monthly assessments and, except for refunds to Declarant, shall not be refundable. Except as expressly provided by the Documents, Declarant may not use any reserve funds to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

Upon the sale of each Unit from the Declarant to a Unit Owner, the Unit Owner shall, in addition to contributing the amount specified previously in this section, pay to the Association the regular monthly assessment in effect at the time of sale, the purpose being to have available at all times for the Association a reserve fund equal to two (2) months of assessments for each Unit. The reserve fund shall be maintained at all times, just as a reserve for taxes and insurance is so maintained.

Section 8.9. ACCELERATION.

In the event of a Unit Owner's default for a period of ten (10) days or more on the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right, after Notice and Hearing, to declare all unpaid assessments for the pertinent fiscal year for that Unit to be immediately due and payable.

Section 8.10. COMMENCEMENT OF ASSESSMENTS.

Common Expense assessments shall commence on the first day of the month in which the first Unit is conveyed to a Unit Owner other than the Declarant.

Section 8.12. PERSONAL LIABILITY FOR ASSESSMENTS.

A Unit Owner is personally liable for the Common Expense assessments which become due and payable during his or her ownership of the Unit. In absence of a successor's written agreement to assume a Unit Owner's obligation, personal liability for such assessments shall not pass to a successor in title to the Unit.

ARTICLE 9. MAINTENANCE AND REPAIR

Section 9.1. <u>UNITS</u>.

Common Expenses associated with the maintenance, repair, or replacement of all Limited Common Elements will be assessed against the Home Sites or Units to which the Limited Common Elements are assigned herein. If any such Limited Common Element is assigned to more than one Home Site or Unit, the Common Element attributable to the Limited Common Element will be among the Home Sites or Units to which it is assigned in proportion to the Allocated Interests shown in Exhibit C.

Section 9.4. RIGHT OF ACCESS.

Any Person authorized by the Executive Board shall have the right of access to all portions of the Property for the purpose of correcting any condition threatening a Unit or the Common Elements, and for the purpose of performing any installations, alterations, repairs, and/or utility work to include meter reading, equipment, upgrades, and/or repairs, provided that requests in advance for entry are made and that any such entry is at a reasonably convenient time for the affected Unit Owner except in cases of emergencies, where no such request or notice is required and such right of entry shall be immediate, whether or not the Unit Owner is present at the time.

Section 9.5. NEGLIGENCE.

Each Unit Owner will reimburse the Association for any damages to any other Unit or to the Common Elements, including water and sewer extension lines, caused by that Unit Owner's: intent or negligence; failure to properly maintain, repair, or make replacements to his or her Unit or to the Limited Common Elements, assigned to his or her Unit; or failure to permit timely access to his or her Unit by any Person authorized such access by Section 9.4. The Association shall assess expenses to the responsible Unit Owners only after Notice and Hearing.

The Association will be responsible for damage to Units caused by its intent, negligence, or by its failure to maintain, repair, or make replacements to the Common Elements, including water and sewer extension lines.

Section 10.1. <u>UNIT OWNER AGREEMENT</u>.

The proceeds of the sale or any loan secured by the encumbrance or sale of any Common Elements are assets of the Association.

Section 10.2. <u>RECORDATION OF AGREEMENT</u>.

The agreement and each ratification of the agreement must be recorded in the Anchorage Recording District and is effective only upon recording.

Section 10.3. CONTRACTS BY THE ASSOCIATION.

The Association, on behalf of the Unit Owners, may contract to convey an interest in the Common Interest Community pursuant to Section 10.1, but such contract is not enforceable against the Association until approved, ratified, and recorded pursuant to Sections 10.1 and 10.2. After such approval, ratification, and recordation, the Association shall have the powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute a deed or other instrument.

Section 10.4. UNIT INTEREST IN THE COMMON ELEMENTS.

Operable vehicles (including a Unit Owner's and a Unit Owner's guest's), trucks, trailers, truck campers, detached camper units, boats, and commercial vehicles shall be kept, placed, stored, or maintained within a Unit's garage or in a Unit's driveway.

Subject to Section 6.6, no signs of any kind shall be displayed to the public on any land subject to this Declaration, except that a Unit Owner may post one sign of not more than five (5) square feet advertising his or her Unit for sale or rent, and Declarant may post one sign per lot, not to exceed twenty-five (25) square feet to advertise Units until they are first sold to a Unit Owner other than Declarant.

Any Unit Owner who wishes to

lease his or her Unit to a third party must submit a copy of the lease to the Executive Board. The Executive Board's approval of any Unit Owner's lease may not be unreasonably withheld; however, the Executive Board may, without limitation, disapprove leases which may effect any Unit's eligibility for any type of AHFC, FHA, HUD, FNMA, FHLMC, or VA financing.

Section 11.12. HOLD HARMLESS AND INDEMNIFICATION.

As described in Section 9.5, Unit Owners will be liable to the Association for any damages to the Common Elements, including water and sewer extension lines, or to any equipment on the Common Elements caused negligently or intentionally by themselves, their families, their occupants, their guests, or their invitees. Unit Owners shall hold harmless the Association and other Unit Owners from all fines, penalties, costs, and prosecutions for their violations, noncompliance, and/or their use of the property.

ARTICLE 12. EASEMENTS, COVENANTS, AND LICENSES

Section 12.1. GENERAL.

Easements, covenants, and/or licenses to which the Common Interest Community is presently subject are recited in Exhibit D to this Declaration and/or are shown on the Plans attached hereto. Declarant may subject the Common Interest Community to additional easements pursuant to Article 6.

Section 12.2. <u>UNIT OWNERS' EASEMENTS</u>.

Declarant expressly reserves, for the benefit of the Unit Owners and the Association, reciprocal easements of access, ingress, and egress over all of the Common Elements, including

water and sewer extension lines. Such easements may be used by Declarant's successors, purchasers, and all Unit Owners, their guests, tenants, and invitees, residing or temporarily visiting the Common Interest Community, for pedestrian walkways, vehicular access, and such other purposes reasonably necessary for the use and enjoyment of a Unit and the Association. Such easements shall be appurtenant to, and shall pass and run with, the title to every Unit conveyed.

The Declarant expressly reserves, for the benefit of each Unit Owner, an exclusive easement for use of those areas depicted on the Plans or otherwise described herein as Limited Common Elements, as assigned to each Unit Owner for his or her numbered unit. If any Limited Common Element is assigned to more than one (1) Unit, but less than all Units, the exclusive easement to such Limited Common Element shall be held jointly by the Units to which it is assigned.

All building walls shall be considered to adjoin and abut the wall of the contiguous Unit against the surface from the bottom of the foundation of the building. A Unit Owner's right of use of said wall shall be as not to interfere with the use and enjoyment of the Owners of adjoining Units, and in the event that any such contiguous wall is damaged or injured from any cause other than the act or negligence of one of the Unit Owners, the same shall be repaired or rebuilt at their joint and equal expense.

Section 12.3. LIMITATIONS ON UNIT OWNERS' EASEMENTS.

In the event any portion of the Common Elements encroaches upon any Unit, or any Unit or Improvement, at no fault of the Unit Owner, encroaches upon the Common Elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the Common Interest Community, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

The Association may, subject to other provisions of this Declaration and the Act, pledge, mortgage, assign, grant, or hypothecate a Security Interest in the Common Elements. The Unit Owners' easements are further limited by the right of the Association to charge fees for a Unit Owner's use of the Common Elements, including water and sewer extension lines, if such use is substantially different from the use offered to other Unit Owners and involves additional expense to the Association. The Unit Owners' easements are also limited by the Association's right to administer the Common Elements for the safety, health, and mutual

benefit of the Unit Owners. Finally, the Unit Owners' easements are limited by the right of the Association to grant licenses to Persons for the use of Common Elements.

The Unit Owners' easements are limited by and subject to all other provisions of this Declaration and the Act.

ARTICLE 13. ALLOCATION/REALLOCATION OF LIMITED COMMON ELEMENTS

A Common Element not previously allocated as a Limited Common Element may be so allocated in accordance with the procedures outlined in Article 15 of this Declaration. Such allocations will be made by amendment to the Declaration. The amendment must specify to which Unit or Units the Limited Common Element(s) is (are) allocated.

No Limited Common Element depicted on the Plans may be reallocated by an amendment to this Declaration pursuant to this Article without the consent of all affected Unit Owners.

Such an amendment shall require the approval and written endorsement of all holders of Security Interests in the affected Units. The Person executing the amendment shall provide an executed copy of the amendment to the Association. Provided that the amendment complies with the provisions of this Declaration and the Act, the Executive Board shall record it. The amendment shall contain words of conveyance and must be recorded and indexed in the names of the parties and the Common Interest Community.

The parties executing the amendment shall be responsible for the preparation of the amendment and shall reimburse the Association for its reasonable attorney's and consultant's fees in connection with any review of the amendment and for the recording costs.

ARTICLE 14. IMPROVEMENTS AND ADDITIONS

Section 14.1. BOARD APPROVAL.

Excepting alterations or Improvements to the interior of Units, no replacement, addition, alteration, or removal of any building, structure, fence, drainage facility, on common or limited-common element landscaping or planting shall be effected in the Common Interest Community by any Unit Owner other than by

Declarant until the plans, and specifications showing the location and nature of such replacement, addition, alteration, or removal have been submitted to, and approved in writing by, the Board; nor shall any exterior painting or decorative alteration be commenced on any Unit other than by Declarant until the Board has approved the plans therefor, including, without limitation, the design, proposed color schemes, and the quality of the materials to be used.

All such plans and specifications shall be, if the Board so requires, prepared by an architect or landscape architect or licensed building designer, said architect and/or designer to be employed by the Unit Owner making application at his or her sole expense. Plans and any resubmittals required by the Board shall be approved or disapproved by the Board within forty-five (45) days of their submittal or resubmittal. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed disapproval of the plans as submitted or resubmitted. If the Board grants approval, it shall be conclusively presumed that the location and height of any Improvement as approved does not violate the provisions of this Declaration.

The approval of the plans and specifications may be withheld, not only because of noncompliance with any of the specific conditions, covenants, and restrictions contained in this Declaration, also because of but the Board's reasonable dissatisfaction with the location, elevation, color scheme, finish, design, proportions, conformity with any architectural control standards, shape, height style, appropriateness, or materials of any Improvement, alteration, or addition, or because of the Board's reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed additions, alterations, and/or Improvements inharmonious or out of keeping with the Improvements erected on other Units or with the general plan of the Common Interest Community. If, after such plans and specifications have been approved, the Improvements are altered, erected, or maintained upon the Unit other than as approved by the Board, such alteration, erection, and maintenance shall be deemed to have been undertaken without the approval of the Board as required by this Declaration.

Section 14.2. PERMITS.

In addition to securing the Board's approval, a Unit Owner must also obtain any necessary governmental permits before construction commences on any Improvements, additions, or

After the expiration of one (1) year from the date of completion of any Improvement, alteration, or addition, said Improvement, alteration, or addition shall, in favor of Purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless: (1) a notice of such noncompliance or non-completion, executed by one or more members of the Board, shall appear of record in the Office of the Recorder, Anchorage Recording District; or (2) legal proceedings in connection with such Improvement, alteration, or addition shall have been instituted to enforce compliance with this Article.

Section 14.4. NO WAIVER.

The approval of the Board under this Article of any plans or specifications for additions, alterations, or Improvements to the Property shall not be construed in any way as a waiver by the Board of its right to object to any feature or aspect of such plans and specifications found in subsequent plans or specifications submitted for approval under this Article or found in any additions, alterations, or Improvements undertaken without first securing approval under this Article.

Section 14.5. NO LIABILITY.

No member of the Board shall be liable to any Person for his or her decisions or failure to act in making decisions as a member of said Board. Nor shall the Association or Executive Board be liable for any condition of approval or any other matter connected with a Unit Owner's Improvement, addition, or alteration.

Subject to approval pursuant to Article 14 of any necessary alterations, the acquisition of any required governmental permits, and subject to any other Municipal requirements, the boundaries between adjoining Units may be reallocated by an amendment to the Declaration upon application to the Association by the Unit Owners affected by the reallocation. The application shall be approved or disapproved by the Executive Board within forty-five (45) days. Failure of the Board to respond within such period to the application shall be deemed disapproval of the application.

The Board's approval of the application may be withheld not only because of noncompliance with any of the specific conditions, covenants, and restrictions contained in this Declaration, but also by reason of the Board's reasonable dissatisfaction with any or all matters or things which, in the Board's reasonable judgment will render the proposed subdivision inharmonious or out of keeping with the general plan of the Common Interest Community.

Section 15.2. VOTES.

Each Unit shall have only one (1) vote in the Association, notwithstanding any interest reallocation under this Article.

Section 15.3. AMENDMENT.

If the Board approves the application, the Association shall prepare an amendment that identifies the Units involved, states the reallocations of any interests in a revised Table of Allocated Interests, states the alteration(s) of Unit Boundaries, and states the Association's consent to the reallocation. The amendment must be executed by the affected Unit Owners and contain words of conveyance between them. If the amendment by any Person other than Declarant reallocates any interests in the Common Interest Community, the unanimous consent of the Unit Owners is necessary. The holders of any Security Interests in the affected Units shall endorse their approval on the amendment.

Section 15.4. RECORDATION.

On recordation, the amendment shall be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the Association. Provisions in this Declaration reserving Declarant rights may not be amended without the consent of Declarant.

If, in Declarant's exercise of any rights described in Article 6 of this Declaration, an amendment to the Declaration is required, the Declarant shall, in conformance with the Act, prepare, execute, and record an amendment and any required exhibits to the Declaration, including Plans which conform with the Act. Any amendment effected by Declarant's exercise of rights reserved in Article 6 requires Declarant approval only.

Units and other improvements added by amendment to the Common Interest Community shall be consistent with the initial improvements' structure type and quality of construction. Duplexes, triplexes, and four-plexes shall be deemed "consistent" structure types for purposes of this section.

Section 18.2. PERCENTAGE OF ELIGIBLE MORTGAGEES.

The notice shall include a general statement of the proposed action and the date, time, and place of the hearing. The Notice shall invite written or oral comments to the Executive Board on the proposed action(s) prior to the scheduled hearing. The rights described in this section do not entitle a Unit Owner to be heard at any hearing or meeting called by the Association.

Section 23.3. APPEAL.

Any interested Unit Owner having a right to Notice and Hearing shall have the right to appeal to the Executive Board from a decision of entities other than the Executive Board by filing a written notice of appeal with the Executive Board within ten (10) days after being notified of said decision. Section 26.1. SECURITY.

The Association may, but shall not be obligated to, maintain or support certain activities within the Common Interest Community designed to make the Properties safer than they otherwise NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE COMMON INTEREST COMMUNITY, NOR SHALL ANY OF THEM BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR OF INEFFECTIVENESS OF ANY SECURITY MEASURE UNDERTAKEN. EACH UNIT OWNER ACKNOWLEDGES, UNDERSTANDS AND COVENANTS TO INFORM ITS TENANTS ASSOCIATION, ITS EXECUTIVE BOARD AND COMMITTEES, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH PERSON USING THE COMMON INTEREST COMMUNITY ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS AND TO THE CONTENTS OF UNITS RESULTING FROM ACTS OF THIRD PARTIES.

Section 26.2. CHANGES IN THE ACT.

Many provisions of this Declaration and in the Bylaws repeat exactly or substantially the same rule or outcome in a particular instance as that required by the Act on the date this Declaration was recorded, or repeat the same rule which the Act would impose as a default rule if the Declaration or Bylaws were silent on that subject.

The Declarant anticipates the possibility that the Act will be amended from time to time to reflect contemporary thinking and experience regarding the structure and governance of common interest communities. The Declarant believes it is in the best interest of the Unit Owners at Moss Creek that the Property might always be governed in accordance with the most current provisions of the Act, subject to the right in any particular case of the Unit Owners and the Executive Board to vary that outcome by adopting a rule or amendment to the Declaration in the manner provided for such amendments.

Accordingly, this Section directs that, in the future and from time to time, in all instances where this Declaration or the Bylaws contain language that precisely or substantially tracks the Act on the date that Moss Creek is declared, this Declaration and the Bylaws shall be automatically amended in accordance with the amended cognate language of the Act which may be adopted by the

State of Alaska, unless the particular language of the Declaration or Bylaws, either as initially adopted or as amended at any subsequent time by the Association, is substantially at variance with the amended text of the Act.

Section 26.3. CAPTIONS.

The captions in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe, or limit the scope or intent of this Declaration or any of the provisions hereof. The exhibits referred to as being attached to this Declaration are intended to be incorporated in this Declaration by such reference.

Section 26.4. INVALIDITY.

If any term, covenant, or condition of this Declaration is held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect any other provision hereof and this Declaration shall be construed as if such invalid or unenforceable provision had never been contained herein.

Section 26.5. WAIVER.

No delay in exercising any right or remedy of any of the parties hereunder shall constitute a waiver thereof, and no waiver by the parties of the breach of any covenant of this Declaration shall be construed as a waiver of any preceding or succeeding breach of the same or any other covenant or condition of this Declaration.

Section 26.6. GENDER.

As used herein, each of the masculine, feminine, and neuter genders shall include the other genders, the singular shall include the plural, and the plural shall include the singular, wherever appropriate to the context.

Section 26.7. COSTS AND FEES.

In an action to enforce this Declaration's provisions, the prevailing party shall be entitled to recover court costs and actual attorneys' fees.

Section 26.8. RIGHT OF ACTION.

The Declarant, Association, and/or any aggrieved Unit Owner is granted the right of action against Unit Owner(s) who fail to comply with the provisions of the documents or the decisions made by the Association.

In an action to enforce this Declaration's provisions, the prevailing party shall be entitled to recover court costs and actual attorneys' fees.

Section 26.9. DISPERSION OF OWNERSHIP.

In the event that the Declarant is granted an exemption by the State of Alaska Regulatory Commission of proposed water and sewer utilities from regulation under AS 42.05.711(d), ownership of the Common Interest Community will be sufficiently dispersed so that no single entity or affiliated entities control more than twenty percent (20%) of the Association after two (2) years of initiating such water and sewer system service.

Section 26.10. CONFLICT.

Declarant intends that the Documents comply with the requirements of the Act and Alaska Statutes governing nonprofit corporations, AS 10.20, et seg. If the Documents conflict with any statutes, the conflicting terms of the statutes shall control. If the Declaration conflicts with any other document, the Declaration shall control.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed on the day and year first hereinabove written.
