Section 1. SINGLE-FAMILY RESIDENCE

Residences shall be used exclusively for single-family residential purposes.

Section 2. DESCRIPTION OF CONDOMINIUM BUILDING

There are five (5) condominium buildings in the project, each building containing two (2) condominium units. Each building is a two-level building with a piling foundation, wood-frame construction with T-111 exterior siding and a sloping composition shingle roof.

Section 3. PARKING AND VEHICULAR RESTRICTIONS

No vehicle which shall not be in an operating condition shall be parked or left on the property subject to this Declaration, other than on an assigned parking space. The parking spaces shall be used for parking vehicles only and shall not be converted for living, recreational or business purposes. There shall be no exposed storage deposited, accumulated or preserved anywhere on the property. Parking spaces are located and assigned to the residences as shown on the filed floor plan of the project.

Section 4. NUISANCES

No noxious or offensive activities (including, but not limited to, the repair of automobiles) shall be carried on upon the project. No horns, whistles, bells or other sound devices, except security devices used exclusively to protect the security of a residence and its contents, shall be placed or used in any such residence. No loud noises shall be permitted on the property, and the Board of Directors of the Association shall have the right to determine if any noise or activity-producing noise constitutes a nuisance. No unit owner shall permit or cause anything to be done or kept upon the property which will increase the rate of insurance thereon or which will obstruct or interfere with the rights of other unit owners, nor will he commit or permit any nuisance on the premises, or commit or cause any illegal act to be committed thereon. Each unit owner shall comply with all of the

BOOK 040

PAGE 0489

requirements of the local or State health authorities and with all other governmental authorities with respect to the occupancy and use of a residence.

Section 5. SIGNS

No signs, posters, displays or other advertising devices of any character shall be erected or maintained on, or shown or displayed from, the residences without prior written approval having been obtained from the Board of Directors of the Association; provided, however, that the restrictions of this paragraph shall not apply to any sign or notice of customary and reasonable dimension which states that the premises are for rent or sale. Address, identification signs and mail boxes shall be maintained by the Association. The Board of Directors may summarily cause all unauthorized signs to be removed and destroyed. This section shall not apply to any signs used by Declarant or its agents in connection with the original construction and sale of the condominiums as set forth in Article XII, Section 3.

Section 6. HOLD HARMLESS AND INDEMNIFICATION

Each unit owner shall be liable to the Association for any damage to the common areas or any equipment thereon which may be sustained by reason of the negligence of said unit owner or of his guests or invitees, to the extent that any such damage shall not be covered by insurance. Each unit owner does further, by the acceptance of his deed, agree to indemnify each and every other unit owner, and to hold him or her harmless, from any claim of any person for personal injuries or property damage occurring within the residence of the unit owner, unless said injury or damage shall occur by reason of the negligence of any other unit owner, and each unit owner further agrees to defend, at his expense, any and all remaining owners who may be sued by any person for a claim for personal injury or property damage alleged to have been sustained within the residence of that unit owner.

Section 7. OUTSIDE INSTALLATIONS

No outside television or radio pole, antenna or clothesline shall be constructed, erected or maintained on any residence without first obtaining the approval of the Board of Directors. No wiring or installation of air conditioning or other machine shall be installed on the exterior of the building of the project or be allowed to protrude through the walls or roof of the building, unless the prior written approval of the Board of Directors is secured. No basketball standards or fixed sports apparatus shall be attached to any residence without the prior written approval of the Board of Directors.

Section 8. PET REGULATIONS

No animals, livestock or poultry shall be kept in any residence, except that domestic dogs, cats, fish and birds in inside bird cages may be kept as household pets within the project, provided that they are not kept, bred or raised therein for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall be deemed to limit the number of dogs, cats and birds to two (2) each. The Association shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Directors of the Association, a nuisance to any other unit owner. Dogs and cats belonging to unit owners, occupants or their licensees must be either kept within an enclosure, or on a leash being held by a person capable of controlling the animal. The enclosure must be maintained so that the animal cannot escape therefrom and shall be subject to the approval of the Board of Directors of the Association. Should any dog or cat belonging to a unit owner be found unattended out of the enclosure and not being held on a leash by a person capable of controlling the animal, such animal may be removed by the Board of Directors or a person designated by them to a pound under the jurisdiction of the local municipality in which the property is situated. Furthermore, any unit owner shall be absolutely liable to each and all remaining owners, their families, guests and invitees, for any damage to person or property caused by any pets brought or kept upon the property by an owner or by members of his family, guests, licensees or invitees.

Section 9. VIEW OBSTRUCTIONS

No vegetation or other obstruction shall be planted or maintained upon any deck in such location or of such a height as to unreasonably obstruct a view from any other residence in the vicinity thereof. In the event of a dispute between owners of units as to the obstruction of a view from a residence, such dispute shall be submitted to the Board of Directors, whose decisions in such matters shall be binding. Any such obstruction shall, upon request of the Board, be removed or otherwise altered to the satisfaction of the Board by the owner of the residence upon which said obstruction is located.

Section 10. BUSINESS OR COMMERCIAL ACTIVITY

No business or commercial activity shall be maintained or conducted in any residence, except that Declarant, or a person designated by the Association as agent of the Association for purposes of managing the property, may maintain management offices and facilities in a residence or in a

temporary structure constructed on the project. Provided, however, that professional and administrative occupations may be carried on within the residences so long as there exists no external evidence thereof.

Section 11. TEMPORARY STRUCTURE

No temporary structure, boat, truck, trailer, camper or recreation vehicle of any kind shall be used as a living area while located on the project; however, trailers or temporary structures for use incidental to the initial construction of the improvements on the property may be maintained thereon, but shall be removed within a reasonable time upon completion of construction of the project.

Section 12. RUBBISH REMOVAL

Trash, garbage or other waste shall be disposed of only by depositing same, wrapped in a secure package, into a designated trash container or garbage disposal. No owner of a unit shall permit or cause any trash or refuse to be disposed of on any portion of the project subject to this Declaration. No portion of the project shall be used for the storage of building materials, refuse or any other materials other than in connection with approved construction. There shall be no exterior fires whatsoever, except barbeque fires contained within receptacles thereof.

Section 13. LEASE OF UNITS

Any unit owner may lease his unit to a third party, but such a lease arrangement must be in writing and shall provide that the failure to comply in all respects with the provisions of this Declaration and the Association Bylaws shall be a default under the terms of the lease. No unit owner may lease his unit for transient or hotel purposes; nor may less than the entire unit be leased.

ARTICLE III

ARCHITECTURAL PROVISIONS

Excepting the interior of units, no replacement, addition or alteration of the building, structure, fence, drainage facility, common or limited common area landscaping or planting shall be effected on any residence other than by Declarant until the plans, specifications and plat plan showing the location and nature of such replacement, addition, alteration or removal have been submitted to, and approved in writing by, the Board of Directors; nor shall any exterior painting or decorative alteration be commenced until the Board

BOOK 548

PAGE 0492

has approved the plans therefor, including the proposed color schemes, design thereof and the quality of materials to be used. All such plans and specifications shall be prepared by an architect or landscape architect or licensed building designer, said person to be employed by the unit owner making application at his sole expense. Plans and resubmittals thereof shall be approved or disapproved within thirty (30) days. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed to be approval of the plans as submitted or resubmitted. The approval of the plans and specifications may be withheld, not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by reason of reasonable dissatisfaction of the Board with the location of the structure on the residence, the elevation, color scheme, finish, design, proportions, architecture, shape, height style and appropriateness of the proposed structure or altered structure, the materials used therein, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed investment inharmonious or out of keeping with the general plan of improvement of the property or with the improvements erected on other residences. If, after such plans and specifications have been approved, the improvements are altered, erected or maintained upon the residence other than as approved by the Board, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Board having been obtained as required by this Declaration. After the expiration of one (1) year from the date of completion of any improvement, said improvement shall, in favor of purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless a notice of such noncompliance or noncompletion, executed by one member of the Board, shall appear of record in the Office of the Recorder, Anchorage Recording District, or legal proceedings shall have been instituted to enforce compliance with these provisions. The approval of the Board of any plans or specifications submitted for approval as herein specified for use on any residence shall not be deemed to be a waiver by the Board of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other residences. No member of the Board shall be liable to any person for his decisions or failure to act in making decisions as a member of said Board. The members of the Board shall receive no compensation for their services performed pursuant to this Declaration. Upon approval of the Board, it shall be conclusively presumed that the location and height of any

548

PAGE 0493

improvement does not violate the provisions of this Declaration. Nothing contained herein shall be construed to prohibit the construction of a fence enclosing the limited common yard area of any unit. However, the plans and specifications shall be submitted to the Board for approval so as to maintain the exterior harmony of the project.

#### ARTICLE IV

##### REPAIR AND MAINTENANCE

###### Section 1. REPAIR AND MAINTENANCE DUTIES OF ASSOCIATION

The Association shall maintain, repair and make necessary improvements to, and pay for out of the maintenance fund to be provided, all common areas and the building thereon; all corrective architectural, landscaping and repair work within residences, if the unit owner fails to repair the areas subject to his control and duty to maintain; all metered utilities in common areas; and all parking areas, ramps, walks and other means of ingress and egress within the project. To the extent not assessed to or paid by the unit owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the common areas or limited common areas. It shall further be the affirmative duty of the Association to require strict compliance with all provisions of this Declaration and to inspect the property for any violations thereof.

###### Section 2. REPAIR AND MAINTENANCE BY UNIT OWNER

Each unit owner shall maintain, repair, replace and restore all portions of his residence, including the interior walls, ceilings, windows, floors, doors and permanent fixtures and limited common areas subject to his exclusive control, in a clean, sanitary and attractive condition, including snow removal and yard maintenance on the designated limited common yard and parking areas.

#### ARTICLE V

##### DESTRUCTION OF IMPROVEMENTS

###### Section 1. DAMAGE AND DESTRUCTION

If, within sixty (60) days of damage or destruction of all or part of the property, it is not determined by a majority of all unit owners to repair, reconstruct or rebuild in accordance with the original plans, or by unanimous vote of all unit owners to do otherwise, then:

BOOK 340

PAGE 0494

- (a) The property shall be owned in common by the unit owners;
- (b) The undivided interest of the property owned in common which appertains to each of the unit owners shall be the percentage of the undivided interest previously owned by him in the common areas and facilities; and
- (c) Mortgages, deeds of trust or liens affecting any of the units shall be transferred in accordance with the existing priorities to the percentage of the undivided interest of the unit owner in the property.

Section 2.

APPLICATION OF INSURANCE PROCEEDS

Subject to the provisions of Section 1, and the interests of any holder of a first mortgage, in the event of damage or destruction as the result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration, exclusive, however, of furniture, furnishings, fixtures or equipment installed by unit owners, and the Board of Directors shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense, and the Board of Directors may assess all unit owners for such deficit as part of the common charges.

Section 3.

RIGHT TO PARTITION

The common areas and facilities shall remain undivided, and no unit owner or other person may bring any action for partition or division of any part, unless the property has been removed from the provisions of the Horizontal Property Regimes Act of the State of Alaska.

Section 4.

SUBDIVISION AND COMBINATION OF UNITS  
AND COMMON AREAS AND FACILITIES

A resolution adopted and signed by at least seventy-five percent (75%) of the unit owners may provide for the subdivision or combination, or both, of any unit or units or of the common or limited common areas and facilities, or any parts thereof, and the means for accomplishing such subdivision or a combination, or both, and any such resolution shall provide, in conjunction therewith, for the appropriate amendments to this Declaration, the Bylaws or any other documents or agreements affected thereby; provided that the space combined or subdivided shall, after such subdivision or combination, have the same percentage of total value that such space had prior

BOOK 548

PAGE 0495

to such subdivision or combination unless such percentage of total value is changed by appropriate amendment in accordance with Article X hereof.

Section 5. INTERIOR DAMAGE

Restoration and repair of any damage to the interior of any individual unit shall be made by and at the individual expense of the owner of that unit and, in the event of a determination to rebuild after partial or total destruction, shall be completed as promptly as practical and in a lawful and workmanlike manner.

Section 6. NOTICE TO MORTGAGEE

Any institutional holder of a first mortgage on any unit shall be given written notice of any substantial damage or destruction to a condominium or the common elements. In any event, notice will be given whenever the damage to the common elements exceeds \$10,000, or the damage to the individual condominium exceeds \$1,000.

ARTICLE VI

ASSESSMENTS

Section 1. LEVY AND PAYMENT

All unit owners shall pay all common assessments for common expenses and all applicable special assessments and capital improvement assessments imposed by the Board of Directors. The common assessments and applicable capital improvement and special assessments, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of the condominium at the time when the assessment fell due. The assessment shall include payments to a general operating reserve fund for replacement as deemed necessary by the Board of Directors. The assessments levied by the Board of Directors shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the condominiums and for the improvement, operation, replacement and maintenance of the project. Not later than thirty (30) days prior to the beginning of each calendar year, the Board of Directors shall estimate the total charges to be assessed against each condominium. Written notice of the annual assessments shall be sent to every unit owner subject thereto. Each owner thereof shall thereafter pay to the Association his assessment in installments as established by the Board of Directors. In the event the Board of Directors shall determine that the estimate of total charges for the current year is, or will become,

BOOK 548

PAGE 0496

inadequate to meet all expenses of the property for any reason, it shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the total charges to be assessed against each condominium. Any further increases in the amount so assessed shall only be effective upon written consent of two-thirds (2/3) of the unit owners and their first mortgagees.

Each installment of an assessment shall become delinquent if not paid on or before thirty (30) days from the date upon which it becomes due. All annual common assessments shall be paid according to the percentage of ownership in the common areas as set forth in Exhibit C. All excess funds remaining in the general operating reserve fund over and above the amounts used for the operation of the condominium project shall be returned to the unit owners in a proportion equal to their individual contributions or may be retained by the Association and applied to the following year's assessments. In a voluntary conveyance of a condominium, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid assessments by the Association against the latter for his share of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Notwithstanding anything to the foregoing to the contrary, any unit owned by Declarant which is unoccupied shall be assessed at seventy percent (70%) of the full common assessment.

From and after the date of recordation of a deed to the first unit owner of an interest in the project, the unit owner shall establish an assessment reserve fund with the Association, which reserve fund shall equal the projected assessments to the unit owner for a two-month period. In addition, the unit owner shall pay to the Association the regular monthly assessment as provided herein, the purpose being to have available at all times for the Association an assessment reserve fund equal to two months of assessments. This assessment reserve fund shall be maintained at all times, just as a reserve for taxes and insurance is so maintained, and in the event of a subsequent transfer of the unit owner's interest in the project, the subsequent purchaser shall be responsible for establishing and maintaining this reserve fund.

Section 2.

DELINQUENCIES

There shall accrue with each delinquent assessment a late charge of Five Dollars (\$5.00), together with interest at the maximum rate permitted by law on such delinquent sums, calculated from the date of delinquency to and including the

BOOK 548

PAGE 0497

date full payment is received by the Association. In the event of default by any unit owner in the payment of any assessment, the Association shall notify all persons and firms holding a mortgage or deed of trust by any unit owner on any condominium on the project.

Section 3. LIENS, ENFORCEMENT

All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on the respective condominium prior and superior to all other liens, except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any mortgage of record made in good faith and for value and recorded prior to the date on which the lien became effective. It shall be the duty of the Association to enforce such lien in any manner permitted by law. In any such foreclosure, the condominium owner shall be required to pay a reasonable rental for the condominium and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Association shall have the power to bid on the condominium at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same, and this provision, or any institution of suit to recover a money judgment, shall not constitute an affirmation of the adequacy of money damages. Any recovery resulting from a suit in law or equity initiated pursuant to this section may include reasonable attorneys' fees as fixed by the court.

ARTICLE VII

THE ASSOCIATION

Section 1. FORMATION AND MEMBERSHIP

The Association shall be incorporated under the name of Chugach View Condominiums Association, as a corporation not for profit under the laws of the State of Alaska. Every unit owner who is subject to assessment shall automatically, upon becoming the owner of a condominium, be a member of the Association and shall remain a member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. A person shall be deemed an owner of a condominium only upon recordation of a deed conveying the condominium to him, and the membership shall be appurtenant to the condominium conveyed.

BOOK 548

PAGE 0498

The Association shall adopt Bylaws for the administration of the property and the Association and other purposes not inconsistent with this Declaration and the Act. These Bylaws shall be adopted by the Board of Directors of the Association after their election at the Association organizational meeting, which meeting shall be held at such time as over fifty-one percent (51%) of the units in the project have been sold. The Bylaws may be amended or modified by the vote of seventy-five percent (75%) of the unit owners. Any proposed modifications or amendments to the Bylaws shall be proposed by Association members at any duly constituted annual or special meeting of the Association. A copy of the proposed amendment shall be included in the notice of any meeting in which action is to be taken.

Section 2.

GENERAL POWERS OF THE ASSOCIATION

The Association shall have all of the powers set forth in its Articles of Incorporation, together with its general powers as a nonprofit corporation, generally to do any and all things that a corporation organized under the laws of the State of Alaska may lawfully do in operating for the benefit of its members, subject only to the limitations upon the exercise of such powers as are expressly set forth in the Articles, the Bylaws and in this Declaration and to do any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the express powers of the Association or for the peace, health, comfort, safety and general welfare of the unit owners and their guests.

Section 3.

SPECIAL POWERS OF BOARD OF DIRECTORS

Without in any way limiting the generality of the foregoing, in the event that the Board of Directors determines that an improvement is in need of repair, restoration or painting, or that landscaping is in need of installation, repair or restoration, or that an improvement is in existence without proper approval of the Board, or that there is a violation of any provision of this Declaration, then the Board of Directors shall give written notice to the unit owner of the condition or violation complained of, and unless the Board has approved in writing corrective plans proposed by the unit owner to remedy the condition complained of within such period of time as may be determined reasonable by the Board of Directors after it has given written notice, and such corrective work so approved is completed thereafter within the time allotted by the Board of Directors, the Board of Directors shall undertake to remedy such condition or violation complained of, and the cost thereof shall be charged to the unit owner and his condominium whose residence is the subject matter of the corrective work, and such cost shall be deemed

BOOK 548

PAGE 0499

to be a special assessment to such unit owner, and his condominium, and subject to levy, enforcement and collection by the Board of Directors in accordance with the assessment lien procedure provided for in this Declaration.

Section 4. RIGHTS OF ENTRY

The Association shall have a limited right of entry in and upon all limited common areas and the exterior of all units for the purpose of taking whatever corrective action may be deemed necessary or proper by the Association. Nothing in this Article shall in any manner limit the right of the unit owner to exclusive control over the interior of his unit. Provided, however, that an owner shall grant a right of entry to the Association, or any other person authorized by the Association, in case of any emergency originating in or threatening his unit, whether the owner is present or not. Provided further, that an owner shall permit other owners, or their representatives, to enter his unit for the purpose of performing required installation, alterations or repair of the mechanical or electrical services to a residence, provided that requests for entry are made in advance and that such entry is at a time convenient to the owner whose unit is to be entered. In case of an emergency, such right of entry shall be immediate.

Section 5. MISCELLANEOUS DUTIES AND POWERS

The Association shall have the right to install or construct capital improvements on any of the common areas. The Association may, at any time and from time to time, reconstruct, replace or refinish any improvement or portion thereof upon the common areas in accordance with the original design, finish or standard of construction of such improvement; construct, reconstruct, replace or refinish any surface upon any portion of common areas designated as a parking area; replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of the common areas; and place and maintain upon the common areas such signs as the Association may deem necessary for their identification, for regulation of traffic, including parking, the regulation and use of the common areas and for the health, welfare and safety of unit owners and their guests. The Association may delegate all of the powers contained in this Declaration to any management organization or individual, and the Association may employ personnel necessary for the effective operation and maintenance of the building and common areas of any type described herein, including the employment of legal and accounting services.

BOOK 548

PAGE 0500

Section 6. PRIORITIES AND INCONSISTENCIES

If there are conflicts or inconsistencies between this Declaration and either the Articles of Incorporation or the Bylaws, the terms and provisions of this Declaration shall prevail.

Section 7. MANAGING AGENT

The Association may enter into a written contract with a professional, corporate or individual manager to conduct and perform the business, obligations and duties of the Association. This contract shall conform to the guidelines established by the Federal Home Loan Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA) and Veterans Administration (VA) regarding the term and termination of that agreement during such periods of time as FHLMC, FNMA or VA is a mortgagee on a unit in the project or is the owner of such a unit.

Section 8. SHARES AND VOTING

At any meeting of the Association, each condominium owner, including Declarant as to those condominiums not sold, shall be entitled to vote the percentage set forth in Exhibit C. Where there is more than one record owner of a condominium, any or all of such persons may attend any meeting of the Association, but it shall be necessary for those owners present to act unanimously in order to cast the vote to which the condominium is entitled. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein shall be deemed to be binding on all owners of condominiums, their successors and assigns.

ARTICLE VIII

occurring inside his individual unit or elsewhere upon the premises.

Notwithstanding any provisions to the contrary herein, the Association shall be required to continuously carry a master condominium policy of casualty insurance, and a fidelity bond, with such coverage and endorsements in form and amounts, including full replacement cost coverage with an agreed amount endorsement as required by the Federal Home Loan Mortgage Corporation, Federal National Mortgage Association or Veterans Administration (FHLMC, FNMA or VA), during such periods of time as FHLMC, FNMA or VA is a mortgagee on a unit in the project or the owner of such a unit.

Section 2. PREMIUMS AND PROCEEDS

Insurance premiums for any such blanket insurance coverage obtained by the Association, and any other insurance deemed necessary by the Association, may become a common expense, at the discretion of the Board of Directors, to be included in the regular assessments levied by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in Article V of this Declaration. The Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any two Directors of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signature shall be binding on all the unit owners.

Provided, however, that any of the following amendments to be effective must be approved in writing by the record holders of all encumbrances on any condominiums at the time of such amendment:

(a) Any amendment which affects or purports to affect the validity or priority of encumbrances or the rights or protection granted to encumbrancers as provided herein.

(b) Any amendment which would necessitate an encumbrancer, after it has acquired a condominium through foreclosure, to pay more than its proportionate share of any unpaid assessment or assessments accruing prior to such foreclosure.

(c) Any amendment which would or could result in an encumbrance being cancelled by forfeiture, or in the individual condominiums not being separately assessed for tax purposes.

(d) Any amendment relating to the insurance provisions as set out in Article VIII hereof, to the application of insurance proceeds as set out in Article V hereof, or to the disposition of any money received in any taking under condemnation proceedings.

Section 3. AMENDMENT BY DECLARANT

Section 2. PROCEEDS

All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "condemnation award", shall be payable to the Association, in trust, for the purposes set forth herein.

Section 3. COMPLETE TAKING

In the event that the entire project is taken or condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership pursuant thereto shall terminate. The condemnation award shall be apportioned among the unit owners in proportion to the respective undivided interests in the common elements, provided that if a standard different from the value of the project as a whole is employed to measure the condemnation award in the negotiation, judicial decree or otherwise, then in determining such shares, the same standard shall be employed to the extent it is relevant and applicable.

On the basis of the principle set forth in the last preceding paragraph, the Association shall, as soon as practicable, determine the share of the condemnation award to which each owner is entitled and make payment accordingly.

Section 4. PARTIAL TAKING

In the event that less than the entire project is taken or condemned; or sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate. Each owner shall be entitled to a share of the condemnation award to be determined in the following manner:

(a) as soon as practicable, the Association shall, reasonably and in good faith, allocate the condemnation award between compensation damages, and other proceeds, and shall apportion the amounts so allocated to taking of or injury to the common elements among the owners in proportion to their respective undivided interests in the common elements;

(b) the total amount allocated to severance damages shall be apportioned to those condominium units which were not taken or condemned;

(c) the respective amounts allocated to the taking of or injury to a particular unit and/or improvements an owner had made within his own unit shall be apportioned to the particular unit involved; and

to use and enjoyment of a unit in the project. Such easements shall be appurtenant to, and shall pass with, the title to every unit conveyed. The Declarant expressly reserves, for the benefit of each unit owner, an exclusive easement for use of those areas depicted on the condominium plan as limited common areas, as assigned to each unit owner for his numbered unit. All building walls shall be considered to adjoin and abut the wall of the contiguous residence against the surface from the bottom of the foundation of the building. Such right of use shall be as not to interfere with the use and enjoyment of the owners of adjoining residences, and in the event that any such contiguous wall is damaged or injured from any cause other than the act or negligence of one of the owners, the same shall be repaired or rebuilt at their joint expense. In the event any portion of the common elements encroaches upon any unit, or any unit encroaches upon the common elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the project, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

Section 5. VALUATION OF UNIT AND  
PROPERTY AND VOTING RIGHTS

Each unit described herein is valued as set forth in Exhibit C the total value of such units being the value of property comprising the project. The owner of each unit shall have an undivided interest in the common areas and facilities appertaining to each unit for all purposes, including voting as set forth in Exhibit C.

Any institutional lender, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association or the Veterans' Administration, shall be entitled to review and approve all documents relating to the establishment of Phase II and Phase III to assure those institutions that each such phase is completed and properly constituted.

Until such time as all construction in all phases is complete and all units sold, Declarant shall have the right to use any common areas and facilities for the purpose of showing and sales, and to display signs and advertising as deemed required by Declarant, notwithstanding the provisions of Article II.

Section 2.

FORMULA TO BE USED IN ESTABLISHING AND AMENDING PERCENTAGES OF UNDIVIDED INTEREST AND VOTE IN THE EVENT SUBSEQUENT PHASES ARE ESTABLISHED.

In the event phases other than Phase I become part of this condominium the percentage of undivided interest and vote for all units shall be determined by the following formula: The Declarant shall determine the unit value for all units within the subsequent phase (units shall be substantially the same in all phases and shall be valued substantially the same in relationship to each) by using existing valuations for units in prior phases as the standards to which shall be added the total value of all units previously within the condominium as set forth in the Declaration at the time of amendment. (The total value of all units within the condominium shall be divided into each unit value and the quotient x 100 shall equal the percentage of undivided interest and vote for such unit.) The values established for units within subsequent phases shall be scheduled to establish the percentages required by Chapter 34.07 AS, and shall not reflect necessarily the amount for which a unit will be sold from time to time by Declarant or others.
